

## REPUBLICANS URGED TO FILL LOCAL OFFICES

The importance of winning local elections was stressed by Congressman William B. Widnall of the seventh New Jersey district at the annual GOP picnic held at the South Mountain Fairgrounds Saturday afternoon.

A surprise visitor was state Chairman George Bloom who spoke briefly while commending Adams Countyans for "their fine work" for the party.

Rep. Widnall said that, "with good candidates and workers, we can tell the facts to our neighbors, then we will have no trouble in controlling Congress. United, we can control any area of this country," he added.

### SCORES SPENDING

The congressmen scored the present Democratic regime, especially the spending policies. Widnall said that while in Congress he noted a "direction of trends that are very alarming as far as the nation is concerned." Among these are "executive usurpation of power; weakness and appeasement in foreign policy; excessive spending; lack of expression in the will to resist, and incidents with weakness."

"About the only thing President Kennedy has accomplished outside of the routine is the Peace Corps," Widnall said, "and we hope that will be good but only time will tell."

Widnall cited the letters he has received from youths who want deferment from the armed services. "People should realize the critical time we're in. Our lives and our children's lives could be turned to a world conflict which would wipe out civilization."

Pittsburgh Judge of the Court of Common Pleas Henry X. O'Brien, who is a candidate for the state Supreme Court, spoke of his candidacy. He stressed the necessity for electing local GOP candidates. "You must not only elect me but also your local GOP candidates."

### 'WORK FOR PARTY'

"Work this year for the party and work next year and the year after. And when the next presidential election comes around, your job will be easier."

The crowd was pleased with the Ferko String Band of Philadelphia which gave an hour's show prior to the speaking program. The group did several marching routines and then enacted the surrender of Lee to Grant. The marchers were dressed in Blue and Gray uniforms.

Atty. Charles W. Wolf who was master of ceremonies, announced that the Young Republican Club will sponsor a dinner in the Gettysburg College dining hall October 26. General Eisenhower and Senator Scranton are expected to speak at the affair. Tickets are \$10 per plate.

Mrs. Edgar Reed was introduced as the oldest person at the picnic. She is 88.

Refreshments were served throughout the affair which ended at 6:30 p.m. The young GOP conducted a balloon burst game for youngsters and adults.

Other prominent party men who attended the picnic were: Sen. George Wade, of Cumberland County; Sen. William Scott, of Carbon County; Sheriff Austin Mehan, of Philadelphia, who brought the band; "Bud" Freed, chairman of the York County Republican Committee; Sen. Elmer Hawbaker; Charles Clouser, of the auditor general's office, Harrisburg; and Thatcher Armistead, Philadelphia.

The refreshments were served by the Women's Auxiliary of the Cashtown Fire Company and Paul Wolfe furnished bus transportation to and from Gettysburg.

## Says President Will Use Nuclear Weapons In Berlin

WASHINGTON (AP) — Atty. Gen. Robert F. Kennedy says "there is no question" that President Kennedy is prepared to use nuclear weapons to maintain the Allies' position in Berlin.

Appearing on an NBC television interview program Sunday — "Meet the Press" — the attorney general said: "The President and the free world are willing to use nuclear weapons to preserve our position Berlin, to insure that the people of Berlin remain free and that we have access to that city."

The attorney general said he "would hope" that Soviet Premier Khrushchev has come to this realization within the last few weeks.

Robert Kennedy said that the matter of possible use of nuclear weapons probably takes more of his brother's time and thoughts than anything else, "because when we are talking about using nuclear weapons we are talking about almost the destruction of the human race—at least a very large proportion of it."

"But on this question of Berlin and on the question of principle, and the question of whether in a particular set of circumstances if we retreat that we would never be able to stand up again, that in that particular area, as we are in Berlin at the present time, there is no question that he is prepared to use nuclear weapons."

"If it comes to that he will use nuclear weapons."

The attorney general's remarks were partly in response to questions based on a Senate speech Thursday by Sen. Margaret Chase Smith, R-Maine. Mrs. Smith criticized President Kennedy's efforts to build up conventional military strength. "We have practically told Khrushchev," she said "we do not have the will to use that one power (nuclear) with which we can stop him."

## Round Tables For Scouters Tuesday

The first round tables of the fall season will be held by the Black Walnut Boy Scout District Tuesday evening at 8 o'clock at the West St. Branch of the Gettysburg National Bank.

Joseph Sunbury, Biglerville, will be in charge of the round-table for Cub Scout leaders on the theme "Sleepy Hollow Land." Timothy E. Farrell, Gettysburg R. 5, will be the leader of the round table for Scout officials on the theme "Flag Talk."

Dr. Richard M. Greenholt, Littlestown, will be in charge of the round table for Explorer leaders on "Use of the Quartermaster."

Refreshments will be served following the meeting.

## MURDER PROBE CONTINUED BY STATE POLICE

State police today continued their investigation into the death of James Davis Collins, 30, Gardner R. 1 migrant Negro worker, who was fatally shot late Friday night at the Pape Orchard labor camp.

Morris Smith, 41, Gardner R. 1, Collins' brother-in-law, has been in the county jail since Saturday charged with murder. At the clerk of courts' office this morning it was stated that Smith may be tried in the October term of court.

At Carlisle this noon the Ewing Brothers Funeral Home reported that arrangements have not been completed for Collins' funeral. Collins' wife, sister and mother are at the Gardner R. 1 labor camp. Another sister is in Bartow, Fla.

### SHOT SEVERAL TIMES

Collins was shot several times by a pistol, the shots lodging in the neck and left shoulder. He died about 45 minutes after his arrival at the Carlisle Hospital early Saturday morning.

The Ewing Funeral Home said an autopsy had been completed but that it had no information concerning the findings.

Opl. James Treas, of the local substation of the state police, was at the labor camp today seeking additional information from witnesses there. Pvt. Charles Todd, assisting in the investigation, was reported enroute to Harrisburg with evidence in the case for study at the state police laboratory.

## Elmo Smith Case Hearing Date Set

The appeal in behalf of Elmo Smith, convicted of the slaying of Maryann Mitchell in a Montgomery County suburb of Philadelphia in December, 1959, will be heard by the Pennsylvania Supreme Court in Philadelphia during the week of Nov. 13.

Smith, 41, a resident of Bridgeport, was sentenced last February by Judge W. C. Sheely in Adams County Court to die in the electric chair for the murder of the 16-year-old girl. The case had been moved from Norristown to Gettysburg on a plea for a change of venue.

Smith has been in Graterford state prison awaiting outcome of the appeal.

## No Decision On Merger Of Two Seminaries

The joint committee on merger proposals, named to study the proposed merger of the local and Mt. Airy Lutheran Seminaries, "reached no final decision" at a meeting in Lancaster Saturday.

A spokesman for the committee, comprising seven members from each institution's board and faculty, all of whom were present or had representation, said the committee made some progress toward a final decision. A number of alternatives were discussed and consideration of them were excluded for the present, it was said.

"While the committee agreed to focus its attention on the one remaining possibility, a committee of three persons from each faculty was named to make further study of a previous document titled 'Ideals of Theological Education' and report previous to a meeting of the joint committee early in December," the spokesman said.

## TWO HURT IN 3 ACCIDENTS

State police were called to three one-car accidents over the weekend.

Saturday afternoon at about 4:25 o'clock, Arl Andrews, 57, Gettysburg R. 4, suffered lacerations of the left arm and a possible fracture of the jaw in an accident approximately four miles east of here, just off the Lincoln Highway on a township road. State police said Andrews was driving west, when his car left the highway and struck a concrete culvert. Damage to the auto was estimated at \$125. He was removed to the Warner Hospital in the local firemen's ambulance.

Sunday morning at 4:40 o'clock a car being driven by Kenneth B. Hollinger, 20, 104 S. Queen St., Littlestown, left the Abbottstown highway two miles north of Hanover, according to police, and struck a pole. Damage was estimated at \$700. Hollinger was reported by police as having suffered a broken nose in the accident.

A third one-car accident occurred about 5 o'clock Sunday evening near Heidlersburg on the Gettysburg-Harrisburg Rd. State police said Ralph Bennett, Clearwater, Fla., was driving south when a car entered the highway in his path. Bennett sought to avoid striking the other auto and his car left the highway and struck an embankment. Damage was estimated at \$35.

## Thieves Break Into Rec Building Here

The Recreation Association building at the Rec Field was broken into sometime Sunday evening or early this morning, according to borough police who are investigating.

Kenneth Dengler, president of the recreation board, notified police about 9:30 o'clock this morning of the entry.

Borough police said there was no money taken but they would have to check with Director Lee Raffensperger to see if any sports equipment or other articles were stolen.

## U.N. Is Told By Kennedy That U.S. Has Will, Power 'To Resist Aggression'

By WHITNEY SHOEMAKER

UNITED NATIONS, N.Y. (AP) —President Kennedy told the United Nations today the United States has "both the will and the weapons" to resist aggression. He challenged the Communist world to drop the arms race in favor of a "peace race."

The President, in an address alternately tough and conciliatory told the Soviet Union the United States believes a peaceful agreement is possible for the central world crisis, that of divided Berlin. But he added that threat of force must be rejected, because "yielding to threats can only lead to war."

### ASKS PEACE FORCE

The President's address covered the broad spectrum of crises confronting a frightened world. He proposed a six-point disarmament plan and called for the creation of a U.N. peace force.

Kennedy urged the small nations of the world to rally behind the United Nations and defeat Soviet efforts to impose a "troika" system of three-man control over its police power.

The troika, he said, would "replace order with anarchy, action with paralysis and confidence with gross confusion."

The President told the 99-nation General Assembly the United Nations' very life is at stake in the issue raised by the death in Africa of Secretary-General Dag Hammarskjold. He urged for new strength and new roles for the United Nations.

### ISSUES PEACE CHALLENGE

President Kennedy proposed an approach to disarmament which would be both far-reaching and realistic.

"It is therefore our intention to challenge the Soviet Union not to an arms race but to a peace race" (Continued On Page 2)

### SPECIAL PEACE POWER

Kennedy advocated a special U.N. power to keep the peace throughout the world. He recommended that all member nations earmark special peace-keeping units in their armed forces to be

## Says Allies Will Defend Berlin But Press Predicts Switch In Yankee Policy

By MICHAEL GOLDSMITH

BERLIN (AP)—West Berliners were told Sunday night that Gen. Lucius D. Clay had come as their defender with the same determination he showed in breaking the 1948-49 Communist blockade of the city.

The assurances came from West German President Heinrich Lübke to allay growing fear in West Germany that the United States is planning a possible deal with the Soviet Union.

Lübke chose the dedication of a new West Berlin opera house to appeal to Germans to have faith in their Western partners.

### WILL DEFEND BERLIN

"We can really have confidence in the firmness of our Allies. Their promises have to be taken seriously in every respect. Gen. Clay has not come here to surrender Berlin, but to defend it as he did in 1948," Lübke said.

As President Kennedy's personal envoy to West Berlin, Clay told a private meeting of publishers and reporters last week that U.S. officials are informing West Germany it must face up to the existence of Communist East Germany and let the East Germans have some authority over access to Berlin.

West Berliners generally interpreted Clay's off-the-record remarks as removing all hope for the reunification of Germany in the foreseeable future.

"LOOT SOME HOPE"

Mayor Willy Brandt of West Berlin commented bitterly: "We have lost some hopes but also some illusions."

By illusions the mayor meant the ability of many West Berliners to convince themselves that the concrete curtain thrown across the divided city by the Communists Aug. 13 was merely a temporary inconvenience.

British newspapers predicted a dramatic switch in U.S. policy toward Germany is shaping up despite the denials by Clay and Washington.

The Daily Mail described Clay's off-the-record remarks as a "calculated indiscretion." The paper's Washington correspondent, Bruce Rothwell, reported President Kennedy is about ready to grant, de facto recognition to East Germany.

Rothwell said Kennedy is also believed prepared to recognize the Oder-Neisse line as East Germany's frontier, accept East German checking on access routes to West Berlin and possibly agree to limit nuclear weapons in central Europe.

## Youth Fractures Both Of His Arms

Four youngsters were treated at the Warner Hospital over the weekend for injuries received in a variety of accidents.

James Miller, 10, son of Mr. and Mrs. Philip Miller, R. 6, received treatment Sunday for fractures of both arms suffered in a fall from a tree.

Stephen Fissel, 3, son of Mr. and Mrs. John Fissel, R. 2, was treated Sunday for a laceration of the right knee inflicted when he fell on glass in a car.

Harold E. Curtis, 5, son of Mr. and Mrs. Horace Curtis, Biglerville R. D., who fell from a tree, was treated Sunday for a sprain of the right foot.

Janet Miller, 8, daughter of Mr. and Mrs. Roy Miller, Thurmont R. 2, received treatment Saturday for a laceration of the forehead and scalp sustained when struck by a horseshoe.

## 4 CIVIL CASES TO BE HEARD AT COURT SESSION

Four civil cases are scheduled for the October term of court, Prothonotary Herbert W. Miller reported today. He distributed printed trial lists in which six cases are listed but said that one has been continued and another is being settled.

Reported scheduled for settlement is the trespass action brought by Doyle E. Staley, Waynesboro, against Gerald Harris, Newark, N. J., based on an accident at the Zora intersection August 7, 1960. The firm of Brown, Swope and MacPhail represents Staley and Attorney Edward B. Bulleit represents Harris.

Continued is the trespass action brought by Gertrude M. Wood, Washington, for herself and minor children, Alonzo Martin and Gilbert Maurice Wood, against A. B. Seifert and Son, John H. Hampshire Inc., Metropolitan Edison Co. and Gettysburg College. The suit arises from the death of Mrs. Wood's husband while working on the roof of the new dining hall at the college. The suit began at the August term 1958. Attorney Daniel E. Teeter represents Mrs. Wood; Attorney Edward B. Bulleit, the Metropolitan Edison Co. and Brown, Swope and MacPhail the other defendants.

### UP FOR TRIAL

Cases listed which possibly will be tried are: Motor Insurance Corporation, New York, versus Hilly Rife Used Cars Inc., New Oxford, an action in replevin in which Attorney Eugene R. Hartman represents Motor Insurance and Attorney Donald G. Oyer represents the New Oxford concern. The matter pertains to a Chevrolet station wagon allegedly stolen in Montreal in 1959 which purportedly came into possession of the New Oxford company.

Mary and Bernard B. Gazo, Lansford, versus Clarence Lentz, Biglerville R. 1, an action in trespass in which the law firm of Bulleit and Bulleit represents the Gazos and the law firm of Regham and Raffensperger represents the other party.

## Scott Funeral Is Held This Morning

Funeral services were held this morning from the Peters Funeral Home, Carlisle St., with the Rev. Dr. Howard S. Fox, officiating, for S. Lester Scott, 60, who died Thursday morning at his home on E. Middle St.

Interment was made in Evergreen Cemetery. Pallbearers were Clair Fohl, Ray Kitzmiller, Robert Weikert, Merle Stultz, Harmon Spence and James Turner.

A largely attended viewing was held at the funeral home Sunday night at which the Masonic rites were performed.

## PLAN SERVICE HERE FOR LATE UN SECRETARY

A memorial service for the late Dag Hammarskjold, United Nations secretary-general who was killed in a plane crash in Northern Rhodesia several days ago, will be held in the Presbyterian Church Friday beginning at 12:10 o'clock and continuing for approximately 30 minutes, it was announced today by Rev. Robert A. MacAskill, pastor of the church. He said arrangements for the services are being made by the Gettysburg Ministerium.

The memorial to the man who was on a peace mission when he met his untimely death will be held in the church where Abraham Lincoln once worshipped and where former President and Mrs. Eisenhower now worship.

The services will be held concurrently with the approximate hour of funeral services for the late U.N. secretary in Sweden.

### 'UNITE IN PRAYER'

"We will unite in prayer for this man who devoted so much of his life to the cause of world peace and for the well-being of the United Nations," Rev. MacAskill said. Members of the ministerium will participate in the service.

"There will be prayers, music and a few remarks concerning Secretary Hammarskjold," Rev. Mr. MacAskill added. The service is open to the public.

Announcement of the memorial service was made in local churches Sunday. The ministerium met this morning to further plans for the service.

It was learned that when former President Eisenhower heard of the proposed memorial service he was pleased because of the high esteem he held for the late secretary-general and for his work toward world peace.

## Woman Is Held On Drag Racing Charge

Mrs. Sara Bretzman, 21, York Springs R. 1, waived a hearing before Justice of the Peace John Whitman Saturday afternoon on a drag racing charge and was released on \$500 bond for October 9 court. State police filed the charges.

Bretzman was implicated in the charge by Roy F. Flory, Gettysburg R. 2, who pleaded guilty to a similar charge and was released on bail for October 14 sentence court.

### BAILED FOR COURT

Garnet West, proprietor of West's Tavern, Lincolnway West, was held for court under \$500 bond on an assault and battery charge after a hearing before Justice of the Peace Anna E. Thompson Saturday afternoon. Arthur C. Paar, Fayetteville, is the prosecutor.

### Several hundred persons, many of whom had been waiting for an hour or more, heard the porch step news conference that attracted major newsmen, television and radio network crews. Reporters and photographers from the major wire services also were there. After the conference, Gettysburg College students swarmed to the steps to shake hands with Goldwater and Miller.

## Says Kennedy Summed Hopes Of Americans In UN Speech

General Dwight D. Eisenhower said this afternoon that he thought President Kennedy in his United Nations speech at noon today "summed up very eloquently the aspirations and hopes" of American people.

He made the statement on the front steps of his office at 300 Carlisle St. where he had spent an hour and a half in conference with U. S. Senator Barry Goldwater and two other Republican leaders. They heard the Kennedy speech together in the Eisenhower office.

Sen. Goldwater and his companions, GOP National Chairman William E. Miller and Rep. Bob Wilson (R-Calif.) head of the GOP Congressional Campaign Committee, arrived here by auto this morning shortly after 11 o'clock from Washington and went into conference about political matters with General Eisenhower.

When they emerged about 12:30 o'clock this afternoon, Gen. Eisenhower said, "first and most important," they had talked about methods and plans for electing the House of Representatives in 1962.

"I reminded them," Gen. Eisenhower said, "that I had just been to New York to try to inspire my Republican friends to work harder and to do all they possibly could to help elect Jim Mitchell as governor of New Jersey."

### EXPECT SOME GAINS

"We hope and confidently expect he is going to be elected," he added. Chairman Miller spoke also of discussion of means of making gains in the House and "under the leadership of Sen. Goldwater" to make important gains in the Senate.

It was Miller who said that President Kennedy's views, expressed in his U.N. talk today, on the question of disarmament and atomic testing, "are exactly the same views held by President Eisenhower for eight years."

Newsmen asked Gen. Eisenhower if there had been any references this morning in the political talks to Pennsylvania. Eisenhower laughed, said the subject had come up and there had been some facetious questions about whether he will be a candidate for anything. "I assure you I'm not a candidate," he added, noting that no one this morning had urged him to be a candidate.

In answer to questions from newsmen, Sen. Goldwater said Eisenhower expects to continue, as he has done in the past, to take an active part in various state elections.

Asked if he (Goldwater) is for Mitchell for governor in New Jersey, Goldwater replied: "I'm for a Republican governor of New Jersey. He's a candidate and he's a Republican. If he's a warm body on election day, I'm for him."

Several hundred persons, many of whom had been waiting for an hour or more, heard the porch step news conference that attracted major newsmen, television and radio network crews. Reporters and photographers from the major wire services also were there. After the conference, Gettysburg College students swarmed to the steps to shake hands with Goldwater and Miller.

## Another Katanga Invasion Looms; Europeans Fleeing

LEOPOLDVILLE, The Congo (AP)—Gen. Victor Lundula, commander of leftist military forces in Stanleyville, put pressure on the Congo central government today to invade Katanga.

Fears grew in Elisabethville, capital of the secessionist province, that fighting is about to break out again. Europeans began fleeing the city. A report from Ndola, Northern Rhodesia, said nearly 400 whites, mostly Belgians, had reached there from Katanga.

The campaign for an invasion of Katanga was being whipped up by supporters of the late Patrice Lumumba, who launched such an attack before he was overthrown as premier last September.

### REGAIN KEY POSTS

The Lumumbists have regained key positions in the central government with the reconciliation of Antoine Gizenga's rebel Stanleyville regime and the central government headed by Premier Cyrille Adoula.

Lundula has accepted Adoula's leadership but has kept command of strong leftist forces in Stanleyville. He sent a deputation of his officers here Sunday to step up

the pressure on the premier for an invasion.

Lumumbist newspapers in Leopoldville said Lundula dispatched a telegram to Adoula saying: "I congratulate the chief of the Congolese government for his attitude to the Katanga problem. I place myself at the disposition of the republic and I am only waiting for the order to be given me to invade Katanga with my troops."

Adoula has declared his determination to end Katanga's secession—by force if necessary. The Adoula government has openly shown its displeasure with the cease-fire reached last week by the United Nations and President Moise Tshombe of Katanga.

U.N. headquarters called "utter nonsense" a claim by Tshombe that 36 Soviet Ilyushin transport planes are at Stanleyville airport ready to fly Congolese invasion troops to Katanga.

Top U.N. officials and Western diplomats here are trying to persuade Adoula not to try to end Katanga's secession by force.

A United Nations spokesman said any move to end Katanga's secession would be regarded as a police action and U.N. forces would not interfere.

## Big Jet Falls Into Harbor At Boston Sunday

BOSTON (AP) — A four-engine Astrojet 707 carrying 71 persons skidded off a runway Sunday and dropped into shallow water in the harbor.

No one aboard the American Airlines plane was killed. Small boats rescued those aboard within six minutes, an airline official said. Two passengers and a stewardess were treated at hospitals for minor injuries and released.

Airline officials said seat belts helped avert more serious injuries.

### RESCUER DIES

One man died of a heart attack rescuing passengers in a small boat.

The big plane slid into the water a few feet from the spot where an Eastern Air Lines Electra crashed into the harbor on take off almost a year ago with a loss of 62 lives.

The 707 — American Airlines' Flight 44 from San Francisco and Chicago — was making an instrument landing in the dark and overshot the 10,000-foot runway, an air line spokesman said.

Stewardess Connie Forbes said some of the passengers were shaken up but there was no panic. The \$5-million plane, its No. 1 and 2 engines torn off and its nose damaged, stopped in five or six feet of water. Four stewardesses led the passengers out on the wings.

Taken to the hospitals were Charles Iyasc, 38, Kenosha, Wis.; Lillian Rochelleau, 51, Westboro, Mass., and a stewardess, Sheila Homan of Lowell, Mass., and Burlington, Calif.

Most of the rescued were brought to the Orient Heights Yacht Club. It was during one such boat trip that Jack Luti, about 50, of Beachmont, suffered his fatal heart attack.

Susan Shefflin, 18, of Highland Park, Ill., a student returning to school in Boston, said Luti collapsed in his boat as it approached the yacht club.

## 10 KILLED IN PA. ACCIDENTS FOR WEEKEND

By THE ASSOCIATED PRESS

Ten persons were killed in traffic accidents in Pennsylvania over the weekend including two Bucks County youths who were injured fatally when their convertible flipped over after hitting a fence.

A Lancaster County man was missing and presumed drowned after a boating accident, pushing the accidental death toll to 11 in the state from the period beginning at 6 p.m. Friday night and ending at midnight Sunday night.

The two youths, Sidney R. Guilford, 16, and Ernest Belmont Jr., 17, both of Cornwallis Heights, were killed Sunday night when they were thrown from their car after it went out of control while passing another auto in Cornwallis Heights, police said.

### PEDESTRIANS DIE

Officers said the car rammed a wire fence and skidded 50 feet on its top. Both youths were thrown from the car. Guilford was dead on arrival at Lower Bucks County Hospital. Belmont died in the hospital about an hour after the accident.

Two of the traffic fatalities involved pedestrians. Francis DiGiacomo Jr., 4, of Philadelphia was killed Sunday by an auto near his home. Police said he darted into the path of the car from between two parked autos.

In Pittsburgh, Felix Petrone, 57, was killed Sunday night when he was struck by a car as he crossed a highway in suburban Castle Shannon.

State police reported the boating accident Sunday. Officers said Amos G. Murry, 37, of Lancaster, fell from a motorboat in which he and two companions were riding as it made a sharp turn to head up the Susquehanna River about five miles above Safe Harbor Dam.

John D. Habecker and Ralph Rowe, both of Lancaster, told police that when they looked around after the boat had made the turn Murry had disappeared.

The other victims: Glassport — Donald Dunkerley, 35, of Glassport, Friday night when his car hit two others and shot over a 50-foot embankment.

Martinsburg — Robert McCall, 19, Saturday when two cars sideswiped and swerved off the road near this Blair County community.

### OTHER VICTIMS

Washington — Dreyel W. Starley, 20, of Mannington, in the crash of his auto and a tractor-trailer five miles north of here Saturday.

Hazleton — David P. Stauffer, 16, of Nuremberg, Luzerne County, Saturday when his car hit a utility pole near here.

Lancaster — Richard W. Ryan Jr., 29, of Manheim Township, Saturday when his auto ran off the old Harrisburg Pike near here.

Philipsburg — Robert Barry, 64, a coal operator from Morrisdale, in a two-car collision a mile south of here Sunday.

Mr. and Mrs. Charles W. Gemmell, New Cumberland, have announced the engagement of their daughter, Miss Mary Ann Gemmell, to Robert Witmer Kauffman, son of the Rev. Dr. and Mrs. Lester M. Kauffman, of Hagerstown, Md., formerly of New Cumberland.

Miss Gemmell was graduated from Pennsylvania State University where she was a member of Phi Beta Kappa, Mortarboard and the Kappa Alpha Theta sorority. She recently returned from a year of post-graduate study in Auckland, New Zealand, and is teaching mathematics at Mechanicsburg High School.

Her fiancé, a graduate of Lebanon Valley College, is a senior at the local seminary. During 1960-61 he was student assistant pastor at Frederick Evangelical Lutheran Church in St. Thomas, Virgin Islands.

## ANNUAL MEET FOR FARMERS

The 11th annual meeting of the Adams County Farmers' Association will be held on Wednesday at the Kingsdale fire hall, Littlestown.

The program will begin with a turkey dinner at 7:15 p.m. and the business meeting will follow immediately. The association's president, John Pitzer, will be chairman of the meeting and will give the president's report. Secretary-treasurer Horace Frey will read the minutes of last year's meeting and the financial report for 1961.

Resolution Committee Chairman Freeman Kuntz and his committee will present the resolutions for discussion and action. The report of the nominating committee will be given by Stuart Luca-baugh.

The legislative report will be given by Melvin Worley and W. E. "Jake" Horner will report on insurance. The fieldman for Region Two of the Pennsylvania Farmers' Association, Rob Keener, will report on advisory councils in the state.

Adams County has 452 members and has set a goal of 456 members for 1962.

## Unique Action Is Instituted Here

A "defendant's complaint" against additional defendant has been filed in the prothonotary's office in the trespass action brought by Evers P. Rinehart, Biglerville R. 2, against Donald Peters, 321 Carlisle St., in which Mrs. Peggy E. Rinehart has been named additional defendant.

The suit grew out of an auto accident April 8, 1960, at the intersection of Fourth and Hanover Sts. in which autos operated by Peters and Mrs. Rinehart collided. In the complaint against the additional defendant Peters alleges that Mrs. Rinehart, driving her husband's car, entered Hanover St. from Fourth and failed to yield the right of way.

## Change Deadline For Pact With East Germany

BONN, Germany (AP) — Premier Khrushchev removed the end-of-the-year deadline for a treaty with East Germany in his talks with Belgian Foreign Minister Paul-Henry Spaak, diplomatic sources reported today.

"Khrushchev reportedly told Spaak that the Soviet Union prefers slow negotiations to a quick war," these sources said. Spaak reported to the council of the North Atlantic Treaty Organization last Thursday on his five-hour talk with Khrushchev in Moscow on the previous Tuesday.

Khrushchev was said to have told Spaak he never had committed himself to signing a peace treaty with East Germany before the end of this year. German officials expressed surprise at this. On several occasions Khrushchev has declared that he will sign a treaty with East Germany before the end of the year, turning over control of access to West Berlin to the East German Communist regime, unless the West agrees to a German pact on his terms.

## ONLY 376 IN THIS COUNTY

### "NONWHITES"

Adams County has a very small population of persons of other than white ancestry, according to the figures released from the 1960 census.

Only 376 out of the county's entire population of 51,906 are listed as other than white. They include 330 Negro, 24 Indians, nine Japanese, six Chinese, two Filipino and five "other" races. Of the nonwhite population, 196 are male and 180 female.

Two hundred and forty-three of the nonwhite population of the county resides in Gettysburg where they number some of the oldest families in the borough, descendants of servants of James Gettys who were willed land in the Breckenridge St.-S. Washington St. area. One of the earlier residents of the town was a slave of Star Spangled Banner. Key was a lawyer at Gettysburg for a period of time. When a slave expressed a desire to reside in Gettysburg rather than go to Washington, he freed him to become a resident here.

Thirteen townships and boroughs in the county have nothing but white residents. The population in the others is listed as: Berwick, 1,101 white, one Negro; Butler, 1,499 white, five Negro; Conewago, 3,003 white, one Negro; Cumberland, 2,899 white, 24 Negro, two "other"; East Berlin, 1,036 white, one "other"; Fairfield, 511 white, eight "other"; Franklin, 2,456 white, 26 Negro, one "other"; Germany, 1,130 white, one "other"; Gettysburg, 7,717 white, 219 Negro, 24 "other"; Hamiltonburg, 1,773 white, one Negro, five "other"; Highland, 541 white, four Negro, one "other"; Huntingdon, 1,488 white, three Negro; Liberty, 722 white, two Negro; Littlestown, 2,735 white, one "other"; Menalton, 1,795 white, 31 Negro, one "other"; Mt. Joy, 1,374 white, six Negro; Oxford Twp., 1,479 Twp., 1,349 white, three Negro; Straban, 2,384 white, two Negro, one "other."

sents Lentz. The suit stems from an auto accident September 3, 1960, at the intersection of the Lincoln Highway and Cashtown-Arendtsville Rd.

The trespass action brought by Amos C. and Hazel Bigham and their son, John C. Bigham, Fairfield R. 1, against Jack C. Orner, Fairfield R. 1, with John C. Bigham as additional defendant. Attorneys Bigham and Raffensperger represent the Bighams and Attorney Oyer represents Orner. The suit results from an auto accident on the Iron Springs Rd. August 18, 1960.

Charles E. Baughman, 218 S. Howard Ave. versus Harold M. Carson Jr., Fairfield, an action in trespass brought as a result of a fall by Baughman on ice February 16, 1960, at the Silver Dollar. Attorneys Bigham and Raffensperger represent Baughman while Attorney Oyer represents Carson.

The civil case trials will begin October 23. The criminal case trial list may be completed Wednesday. Clerk of Courts Kenneth Johns said today. The grand jury will meet Monday to consider which of the criminal cases shall be brought to trial.

The suit grew out of an auto accident April 8, 1960, at the intersection of Fourth and Hanover Sts. in which autos operated by Peters and Mrs. Rinehart collided. In the complaint against the additional defendant Peters alleges that Mrs. Rinehart, driving her husband's car, entered Hanover St. from Fourth and failed to yield the right of way.

## BULLETIN

PITTSBURGH (AP) — The Pennsylvania Supreme Court opened the first session in its 240-year history today with a woman on the bench.

Miss Anne X. Alpern sat with six other justices as the court began its fall session for the western district. Justice Curtis Bok of Philadelphia was absent due to illness.

It also marked the first session in which John C. Bell Jr. presided as chief justice. He succeeded Chief Justice Charles Alvin Jones who retired.

## Briefs

SAIGON, South Viet Nam (AP) — Two Australian aid officials kidnapped by Communist guerrillas were free today after payment of the equivalent of \$70 in cash and a typewriter as ransom.

Wilfred Arthur, a dairy expert, and Lawrence Crozier, attached to the Australian Embassy, said they were subjected to endless hours of a rather mild brainwashing but otherwise the Communists treated them well and gave them beer and cigarettes.

SEOUL, South Korea (AP) — Gen. George H. Decker, U.S. Army chief of staff, said today the operational control of the U.N. command over South Korean forces, disrupted by the military coup last May, now is working well.

Decker said Gen. Guy S. Meloy, who heads the U.N. Command reported the arrangement is working satisfactorily since it was confirmed by agreement of the South Korean junta and the U.N. Command 10 days after the May 16 coup.

on call to prevent aggression. Kennedy pointed directly to threats of peace in Laos and in Germany.

For the first time he personally emphasized that in connection with a Soviet-East German pact that "the Western allies are not concerned with any paper arrangement the Soviets wish to make with a regime of their own creation, on territory occupied by their own troops and governed by their own agents."

**"RETAIN FREEDOM"** — But to make the United States position clear, he asserted: "No such action can affect either our rights or our responsibilities." He said the Western powers

cannot surrender the freedom of West Berlin or their commitments in Germany.

"A 'peace treaty' which would destroy the peace would be a fraud," he said. "A 'free city' which would suffocate freedom would be an infamy."

The Western Allies "have calmly resolved to defend, by whatever means are forced upon them, their obligations and their access to the free citizens of West Berlin and the self-determination of those citizens," Kennedy said.

### SUES FOR DIVORCE

## Times Cooking School To Open Tuesday Evening At High School Auditorium

Final preparations are underway today for the opening of the 33rd annual Gettysburg Times Cooking School Tuesday evening at 7:30 o'clock at the Gettysburg High School auditorium.

The cooking school will continue through Wednesday and Thursday evenings with \$5,000 in daily and grand prizes to be given away with a fashion show listed as a special feature for Wednesday evening's session.

Conducting the school this year will be Miss Mary Metag, who will be the lecturer, and her assistant, Miss Betty McKellin. Miss Metag helped with last year's school here.

### "GALAXY OF FOODS"

The awarding of grand prizes—with a \$399 freezer-refrigerator heading the list of awards—will be a feature of the final cooking school session on Thursday evening.

A completely new and different program will be presented each evening by the two home economists in charge of the sessions and lucky ticket holders each evening will be awarded the foods prepared during the cooking school's "Galaxy of Foods" presentations. In addition to helpful tips on food preparation, the economists will present nutrition facts based upon the most recent research in that field.

Both Miss Metag and Miss McKellin come here after summer briefing and preparation sessions in the research and testing kitchens of the National Livestock and Meat Board's Homemakers' Service section at Chicago.

### "STAR TIME" FEATURE

A "Star Time" showing of the foods produced each evening will be the climax for each evening's school session.

Wednesday's fashion show will be presented by Tobey's of Gettysburg with Lorraine Glick of Baltimore as the narrator.

Each session of the cooking school will be opened by Jean E. Charles, home economist for the York office of the Metropolitan Edison Company, who will discuss the uses and advantages of electrical appliances in the home as well as electrical heat for the home.

### FREE COOK BOOKS

Each person attending the cooking school sessions will receive a colorful "Galaxy of Foods" recipe book which will include all of the specialties the home economists will demonstrate on the school stage during the three-night session.

Appetizing and interesting dishes to brighten and vary the menu for area homemakers on the schedule for each evening of The Times' annual school.

### Expect Resumption Of Work At GMC

DETROIT (AP)—Peace was expected to return today to the world's largest manufacturing empire—General Motors Corp.

The United Auto Workers Union ordered two weeks of crippling strikes ended Sunday night and instructed all workers to return to their jobs today—or as soon as GM is ready for them.

While decreeing peace with GM, with the completion of a new three-year contract, the UAW authorized open warfare against Ford Motor Co. if it doesn't meet beat the new GM terms.

The UAW's International Executive Board authorized both the strike-ending and strike-threatening moves in a 5½-hour meeting. The board has over-all power within the union.

The UAW had let negotiations slide at both Ford and Chrysler Corp., while a new pattern-setting pact was hammered out at GM. UAW President Walter P. Reuther already has said "Ford's will be the next door I knock on."

## RAIN AND COLD HIT MIDWEST

By THE ASSOCIATED PRESS

Rain and drizzle persisted Sunday night along a cold front stretching from the Great Lakes to Texas. The nearly stationary mass of cool air appeared unable to push eastward into areas sweltering in record-breaking heat.

Tropical air over the eastern third of the country pushed temperatures into the 90s Sunday from Pennsylvania southwest to

Texas. Presidio, Tex., was the hottest with a reading of 101 degrees.

Fog and drizzle covered the New England coast but skies were fair and the night was warm elsewhere in the East and Southeast.

Early morning temperatures were in the 70s over much of the area.

Rains continued to drench the Chicago area, adding 3.40 inches over the weekend for September total of 11.72 inches. The previous September high was 8.97 inches in 1936.

High winds accompanied the rain in scattered areas of Illinois, Indiana and Missouri. A roof was torn from a gymnasium in

Shelby County, Ind. Funnel clouds were sighted near Marissa, Ill., and Caledonia, Mo.

Two inches of rain, accompanied by large hail, flattened cotton fields near Big Spring, Tex.

MOSCOW (AP)—The Soviet news agency Tass said today the armed forces of the Warsaw treaty powers—Communist counterparts of the North Atlantic Treaty Organization—will hold exercises in October and November.

The exercises will take place as a part of the combat training program of Warsaw Pact forces "and to check the results of this year's training," Tass said.

## ONE HUNDRED YEARS AGO

## National Fast Day: In a pur-

suance of a resolution of both houses of congress, the President of the United States has issued his Proclamation for the observance of Thursday next, the 26th inst., as a day of public humiliation, fasting and prayer, to be observed by the people of the United States, with religious solemnities, both in Churches and Families, to the end that the united prayer of the Nation may ascend to the Throne of Grace, and bring down blessings upon our country. And the Governor of Pennsylvania has likewise issued a proclamation in conformity with that of the President, ordering that all public offices should be closed, and recommending to the people on that day to suspend their ordinary avocations, and to close their places of business, and to humble themselves before the Almighty, with earnest prayers that He will favorably with mercy look upon his people.

Relief For Volunteers: It appears from a decision of the Attorney General of Pennsylvania, that only the families of volunteers who are mustered into the service of this State or of the United States as Pennsylvanians are entitled to the relief provided by law. Men of this State volunteering in companies of other States do not come under the provisions of the law.

Battle In Front Of Washington: The expectancy of a battle in front of Washington has died out for the present. The correspondents and Army critics all appear to have reached the conclusion that Washington is too strongly fortified to permit the Confederates to indulge the hope of a successful attack, whilst on the other hand Gen. McClellan will make no attack upon the Confederates until he has adopted all the precautions and prepared all the means that will ensure success.

## SEVENTY-FIVE YEARS AGO

Improvements: A handsome wrought iron fence with gateways is being erected in front of the College Campus, and will be a very great improvement over the old and unsightly board fence. The cost will be \$600 to \$800 which is contributed by the brothers Louis and John Mauss, of Cincinnati, Ohio, out of the regard for their former pastor, President McKnight. The work is being done by the Champion Iron Fence Company of Kenton, Ohio. The new Engine House is about completed and will shortly be occupied by the Fire Company. The building is a credit to the borough and all concerned in its erection. Peter Cup had the contract; Perry J. Tawney, mason; Charles Comfort, architect.

Consolidated: The "Hanover Junction, Hanover & Gettysburg" Railroad company and the "Bachman Valley" have been consolidated under the title of Baltimore & Harrisburg Railroad Company, and the requisite papers have been filed in the department at Harrisburg. On Saturday the stockholders of the "Baltimore and Hanover Railroad Company" will meet to merge their road in that of the "Baltimore and Harrisburg" Road. This completed, the consolidated roads will pass into the hands of a syndicate in the interest of the Western Maryland road, who will probably extend the road to the Cumberland Valley and possibly extend the old "tapeworm" beyond Orrtanna. The parties concerned in the purchase have been very reticent as their ultimate purposes, which will only be fully developed when the whole arrangement has been completed. The merger and purchase complete, the new company will organize, elect officers, issue bonds requisite to cover the purchase, & c., and then lease the entire road. These arrangements will be completed by the 1st of November next.

## Today's Talk

## SELF-MADE MEN

I used to greatly admire what many term the "self-made" man. I now know that there are no self-made men. People are made by people, by instances, by circumstances and grasped opportunities.

Everything that is helpful, inspiring, interesting does something to make a man.

Everyone with whom we come in daily contact does something to make us what we are. We owe a debt of gratitude to every human being, to every flower that grows, to every tree, to every rock, to every bird song.

We can put our fingers on no single thing and say that it made us. Surely we cannot say that we make ourselves what we are.

The greatest man who he gives the greatest amount of credit to others for what success he has achieved.

We just use instruments, that's all. And we should never stop thanking those from whom we borrow these tools for work and service.

There is no finer character in this world than the appreciative man or woman. Keep giving credit if you would be happy and grow.

A man shrinks just the moment he throws out his chest and says: "See what I have done!" He should say: "See what others have done!"

You who work for someone else never forget that you usually get vastly more each week than what is stipulated on your pay check. You are actually getting dividends from the investment of hunger, discouragement, failures and the iron heart of him or her who employs you.

No matter how resourceful, energetic and successful you may be, you are not self-made but other-made!

Tomorrow Mr. Adams will talk on the subject: "Pride"

## THE VAGRANT FISHERMAN

The hungry man must catch his fish

Or empty he will be.

He may not serve a vagrant wish,

As is the case with me,

And lie at ease where willows swish

And there is much to see.

The man who fish for market,

At net and line and trap,

And battle with the wind and wave,

Misfortune and mishap.

But, Oh, 'tis not the food I crave

That I'm a fisher-chap.

And so while I pretend to seek

The finny tribe below,

I glory in the golden streak

Which sets the sky aglow,

And watch the distant mountain peak

With clouds as white as snow.

I do not serve an empty dish;

I serve a hungry eye.

A dream or two is all I wish

My soul to satisfy.

The hungry man must catch his fish,

But no such man am I.

## HOAK MANAGES BUGS TO WIN

## PHILADELPHIA (AP)—For the

fourth year Manager Danny Murtaugh of the Pittsburgh Pirates is giving his players a chance to manage the team.

"It's not just for fun, either," Murtaugh explained Sunday after third baseman Don Hoak piloted the sixth-place Bucs to a 4-3 victory over Philadelphia.

"It helps them (the players) to think more and to better understand why a manager makes certain moves," said Murtaugh.

The Bucs manager praised the handling of the team by Hoak.

"He managed a real strong game," said Murtaugh.

"There's nothing to it," said Hoak. "This is the fourth time I've handled the team and I've yet to lose."

## MAKE RIGHT DECISIONS

Hoak seemed to make the right decisions. In the eighth inning, with the Pirates leading 4-3 and Phillies on first and second with two out, Hoak yanked southpaw Vinegar Bend Mizell in favor of righthander Tom Sturdivant. Sturdivant got right-handed batter Lee Walls on a grounder, then retired the Phils in the ninth.

Singles by Dick Groat, Don Glendon, Dick Stuart and Bob Skinner gave the Pirates two runs in the seventh inning for the victory.

Mizell (7-10) who replaced rookie starter Murry Foss, was the winner. Chris Short (6-11) was the loser in relief.

The Phillies doubleplay on the Pirates in the eighth inning was the 173rd Philadelphia team had made this year, breaking the previous club record of 172 set in 1923.

## Confederates Under Gen. Price Crush 3,500 After 2-Day Siege

LEXINGTON, Mo., Sept. 20—A numerically superior Southern force today defeated the Illinois "Irish Brigade" and other Federal units after an epic two-day siege.

Rebel troops totaling some 18,000, commanded by Gen. Sterling Price, forced the surrender of the 3,500-man Union garrison on the grounds of Masonic College, in the heart of this sunny Missouri River town.

Southern losses were listed as 25 killed and 72 wounded. The Union forces listed 39 dead and 120 wounded, according to the commanding officer, Col. James A. Mulligan.

Price's men captured five big guns, 3,000 hand weapons, 750 horses and stores with a value estimated at \$100,000.

They also seized some \$900,000 in cash and gold that the Union troops had removed from the Lexington bank 10 days ago.

All of the Union troops were paroled at once, with the exception of the 31-year-old Col. Mulligan.

He and his wife, who had been in Lexington during the battle, were seen leaving town for the South in Gen. Price's private carriage. Pres

## Bucknell Smothers Bullet Offense To Take 12-6 Win At Hershey Before 9,500

A slow Gettysburg College offense failed to get moving for the second straight week as Bucknell walked away with a 12-6 victory Saturday evening in the Hershey Stadium before 9,500 fans who did not leave their seats until the final gun sounded in the 80-degree plus weather.

The encounter marked the opening of the 1961 campaign for the Bisons and the initial contest in the Middle Atlantic Conference University Division. Gettysburg is 0-2 on the season. The two Pennsylvania schools played for the last time in the Hershey Stadium for the benefit of the Harrisburg Rotary Foundation. Next year's match will move to Lewisburg.

Senior halfback Pat Malone was the standout of the game as he carried the ball for 108 yards on 12 carries and also accounted for the winning touchdown for the Bisons. Al Seifried, another Bucknell scorer, toted the ball seven times for 47 yards. Bucknell gained 265 yards on the ground to the Bullets' 35. The Bullets could pick up only 11 yards in the air as Bucknell fired for 29.

**HALT MANY THREATS**

It could be said the Haasmen did have one thing in their favor and that was the excellent defensive pull when the chips were really down. Bucknell banged away at the goal line all night and Gettysburg held tight on all but two occasions.

Bucknell took the opening kickoff and drove from its 35 to the Gettysburg five. The Bullets started hitting hard and finally took over on their 15. Rick Bainbridge had to punt on fourth down and the ball rolled dead on the Bison 22. Two plays later, Joe Elliott attempted a quick kick, but Bullet tackle Fred Butler came charging in to block the punt and Bob Nelson recovered the loose ball on the Bison two.

On the next play from scrimmage Bainbridge booted into the end zone for the Gettysburg score with 3:10 remaining in the initial stanza. Earl Little lost his footing attempting to pass for the two points and the Bullets led 6-0.

Gettysburg's lead lasted just two minutes as Bucknell rolled back to knot the count as the first period came to a close. The Bisons took the kickoff and moved 69 yards on five plays to paydirt. Two Gettysburg 15-yard penalties and a 36-yard aerial from John Giordano to end Walt Mayer set up the scoring play. Al Seifried then blasted off left tackle and raced 21 yards for the score. Seifried's run for the conversion was stopped by the Bullet line.

**MALONE GOES OVER**

Bucknell drove to the Gettysburg 15 in the second period, but lost the ball when quarterback Norm Garrity fumbled and Bob Duncan recovered on the home team's 16. Following Gettysburg's failure to move the ball, the Bisons were on the move again as they toted the pigskin to the Gettysburg 20. This time the Bullet defense proved its ability by knocking Giordano for a 13-yard loss and on the second play Fred Butler hit Giordano so hard the ball rolled 15 yards to the Bucknell 38 where Joe Wang recovered for the Battlefields. The half ended with Bucknell on its own 27 after Gettysburg lost the ball on downs.

**SACHS SETS WORLD RECORD AT TRENTON**

TRENTON, N.J. (AP) — Eddie Sachs of Center Valley, Pa., won the 100-mile auto race Sunday at Trenton Speedway, setting both a track and a national record.

Sachs outdrove his nearest competitor, Jim Hurtubise of North Tonawanda, N.Y., by almost a full lap. Sachs' time was 59:23.89.

Roger Ward of Indianapolis was third in the Indianapolis-type car race.

A. J. Foyt of Houston, winner of the Indianapolis 500, held second place for 67 laps on the one-mile track before he was forced out by mechanical troubles. He was 14th.

The average speed for the 100 miles was 101.03 miles per hour.

Sachs' time broke the national record of 59:31.29 set at Langhorne, Pa., Speedway June 18 by Hurtubise. The track record had been 59:50 set in September 1957 by the late Pat O'Connor.

was played across the midfield stripe with one exception. Elliott got off a tremendous quick kick and raced down field to down the ball on the Bullet six. Gettysburg retaliated two plays later with another quick kick to put the ball on the Bison 49.

Gettysburg hopes to find the going a little easier next Saturday afternoon when it travels to Huntington to take on Juniata College. The Bullets defeated the Indians 26-0 a year ago.

PITTSBURGH (AP)—A total of six points has left the Pittsburgh Steelers winless after two games in the young National Football League season.

The Steelers bowed to the New York Giants 17-14 Sunday in Pitt Stadium. They had lost 27-24 to Dallas the week before.

Inability to hold the ball Sunday proved to be the Steelers downfall.

In the second period they faked a field goal from the Giant 43 and Tom Tracy passed John Henry Johnson in the clear, but he was unable to hold the ball.

**FUMBLING PUNT**

In the third quarter Bill Butler fumbled a punt and Bill Stits recovered on the Steeler 42, setting in motion a New York touchdown drive.

Johnson broke a scoreless tie on a one-yard run into the end zone with 24 seconds left in the opening period. A 38-yard pass from Bobby Layne to Buddy Dial set up the score.

The Steelers scored again in the third period on Layne's three-yard toss to Dial. This made the score 17-14.

They made a bid for victory in the game's waning moments, marching to the Giant 26. Then Andy Robustelli tackled Rudy Bukich who was attempting to pass. Bukich fumbled and Jim Katcavage picked up the ball and rammed to the Steeler 24 where the Giants ran out the clock.

The Giants scored in the second quarter on Charlie Conerley's 16-yard pass to Del Shofner. They added 10 points in the third on Pat Summerall's 19-yard field goal and Y. A. Tittle's five-yard touchdown pass to Joe Morrison.

The Steelers announced the release of defensive tackle Dick Klein. He had been obtained from Dallas.

**FAIRFIELD 9 WINS OPENER**

Fairfield captured the opening game in the championship series for the South Penn Baseball League playoff title by edging Littlestown 3-1 Sunday afternoon before a large crowd at Taneytown.

The second game of the best-of-three series will be played at Fairfield next Sunday afternoon at 2 o'clock.

Guy Weikert, star Fairfield southpaw, had a shutout going until the ninth inning when Clyde Crouse doubled and Bob Weaver singled to send Crouse home. He fanned the side in the fifth after Weaver led off with a single. Wellfanned seven and did not issue a pass. In three playoff games he has given up but one run per game. Weaver, Littlestown moundsman, fanned four and walked two.

Fairfield scored runs in the second, third and eighth innings. The winners played fine defensive ball with special honors going to Joe McCauslin, third baseman.

Lee Calimer collected two of Fairfield's hits while Weaver sparked Littlestown with a single and double.

## Canners Handed Initial Setback By Waynesboro 32-0 As Dick Loy Stars

Biglerville High School suffered its first football defeat Saturday night when it submitted to a 32-0 lacing at the hands of the unbeaten Waynesboro Indians before approximately 2,000 fans at Waynesboro. Waynesboro's triumph was its eighth straight, three this season, over a two-year span. Biglerville had won two this year previous to Saturday's setback.

Dick Loy, star Waynesboro quarterback, was the big offensive star for the Indians by piling up 199 yards with George White adding 145 as Waynesboro compiled 485 yards on total offense as compared to 134 for the Cannners.

On the opening kickoff Waynesboro drove for its first TD. Loy getting off for a long run but a clipping penalty set the Indians back to the Waynesboro 45. However Waynesboro came right back on a sustained march with George White circling left end from the 24 for the first score. Loy plunged for the point.

The Indians iced the game with three six-pointers in the second quarter.

Early in the second quarter Tom Manahan raced over from the five to climax another Indian drive. A kick for the point was blocked by Biglerville.

**LOY INTERCEPTS**

The Cannners showed their best offensive punch following the ensuing kickoff and moved to the Waynesboro 40. Loy personally took care of stopping the drive when he intercepted Gary Wright's aerial and weaved his way through the Cannners to race 65 yards for a score. Darr Snyder's placement was good as the score went to 20-0.

Near the end of the second period Waynesboro was in possession of the ball on its own 47 when Loy broke away to streak 57 yards for his second touchdown. The try for the point failed as the Indians led 26-0 at half time.

After taking over the ball on their own 40 via a Biglerville punt, Waynesboro moved for its fifth and final touchdown in the third frame. The 60 yards were covered in six plays, Andy Bittner sprinting over for the 22.

**SUBS TAKE OVER**

Coaches Jack Emanuel of the Cannners and Bill Zehler of Waynesboro poured their substitutes into action for the remainder of the game.

Biglerville was without the services of Perry Mickey, its star 250-pound tackle, who is shelved due to a leg injury.

The Cannners will attempt to get back into the win column Friday night when they meet Hanover (1-2) on Musselman Field at Biglerville.

## DICK DONOVAN HAS 1-HITTER; ERA IS 2.32

**By JACK HAND**

**Associated Press Sports Writer**

Dick Donovan, a reject who was tossed into the talent pool by Chicago when the American League expanded to 10 clubs last winter, shapes up as one of the best stories of the year.

The veteran right-hander, drafted by the lean and player-hungry Washington Senators for \$75,000, practically clinched the league's earned run title Sunday when he pitched a one-hitter against the Minnesota Twins. The only hit was a home run by Joe Altobelli with one out in the seventh.

Unofficial pitching averages show Donovan has an earned run mark of 2.32. The nine innings against the Twins gave him 163 for the season, one over the revised required minimum — one inning for every game scheduled. Luis Arroyo of New York and Hoyt Wilhelm of Baltimore have lower averages but they can't qualify on innings pitched.

**MINOR MIRACLE**

Considering that Donovan lost his first five, missed almost two months with various ailments, his 10-9 record for a last-place club comes under the heading of minor miracles.

The M and M boys failed to connect for a home run in Boston where Roger Maris settled for a single and Mickey Mantle went hitless as the Yankees lost 3-1 to Bill Monbouquette.

## Littlestown

TOWN COUNCIL  
WILL MEET ON  
TUESDAY NIGHT

The Littlestown Borough Council will hold its September session at 8 o'clock on Tuesday evening at the Community Center.

Mrs. George Schaefer, Prince St., will be hostess to the Abigail Kammerer Circle of the United Lutheran Church Women of St. Paul's Lutheran Church for the

monthly meeting on Tuesday at 7:30 p.m. The topic leaders will be Mrs. Schaefer and Mrs. Paul C. Mayers.

The second September meeting of Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars will be held at 8:30 p.m. on Tuesday at the post home, W. King St.

Plans will be furthered to sponsor a mink stole dinner on October 18 at the first fall meeting of the Eta Tau Chapter of the Beta Sigma Phi Sorority on Tuesday at the home of Mrs. Clyde W. Crouse, Littlestown R. 1, at 8 p.m.

## ROTARY TO MEET

Mrs. Howard Marling will be leader at the monthly meeting of the Ladies' Aid Society of St.

James' United Church of Christ, along the Harney Rd., at 8 p.m. on Tuesday at the church. Mrs. Zona Harner, Miss Grace Spangler and Mrs. John C. Chatlos will be hostesses.

The first fall meeting of Brownie Troop 72 will be held at 6:30 p.m. on Wednesday at the engine house. Mrs. Paul Mayers is troop leader.

The Classification and Membership Committee, composed of Frank E. Basehoar, chairman, Roy Koonitz, Edward H. Leister, W. Richard Marshman, James L. Rhoades, Luther W. Ritter and George P. Smith, will be in charge of the program at the dinner meeting of the local Rotary Club at 6:15 p.m. on Tuesday at Schott's Hotel. There will be a classification talk by one of the newest members.

The Cub Scouts of Den 5 will gather at 6 o'clock Tuesday evening at the engine house, from where they will go to the home of den mother, Mrs. Denton Barnhart, near town, for a corn husking bee. They will return home about 8 p.m. In case of rain, they will meet on Friday between 6 and 7 p.m. at the Community Center. This will be the regular meeting time each Friday, beginning October 6. Mrs. Barnhart and Mrs. William Waltz are den mothers and Robert Altoff is den chief.

The Rev. Father Joachim, of the Passionist Order of Missionaries, Baltimore, spent the weekend in St. Aloysius Parish, where he heard confessions on Saturday and Sunday, and celebrated the late Mass Sunday and delivered the sermon. This would have been the time for Forty Hours Devotion, but there will be no Forty Hours in the parish this year due to the parish plant renewal program. Daily Mass this week will be in the convent chapel at 7:15 a.m. and on Saturday at 7:30 a.m. The monthly offering for school and debt purposes will be received at next Sunday's Masses, to begin at 7:30 and 10 a.m.

The pastor, the Rev. Dr. John E. Metz, has announced that the children of the parochial school will occupy the classrooms, as of today. The school renovations are to use the building. When the overhauling process is completed, there will be an open house.

The annual donation party for the Sisters of Mercy has been set for Sunday, October 8. This is under the sponsorship of the Parish Council of Catholic Women and details will be announced from the pulpit next Sunday.

Father Metz baptized Steven Brian Rang, infant son of James D. Jr. and Betty Lou Mundorff Rang, near town, on Sunday after the late Mass. Four generations took part in the baptismal ceremony. His paternal grandfather, James D. Rang Sr., and his paternal great-grandmother, Mrs. Emma Rang, were baptismal sponsors. The child was born September 17 in the Warner Hospital, Gettysburg.

PITTSBURGH (AP) — Three men are recipients of the Boy Scouts of America Silver Antelope Award "for noteworthy service of exceptional character to boyhood." Dr. R. Wayne Richards of Shinglehouse, Pa.; Guy W. Wilson of Erie, Pa.; and Dr. Frank H. Wiley of Kensington, Md., received the awards Friday night

## MAKE UP TO MAGENTA.

Among the bright fall shades, magenta proves the favorite. What a dazzler it is, too!

But to wear magenta in a be-dazzling fashion takes a bit of doing. You have to make up to it or, as many a dame has already discovered, you will look faded and jaded by comparison to its brilliance.

In the first place, no other color demands greater perfection in one's grooming. That's because magenta functions like a spotlight to pick up flaws. Straggly hair, for instance, comes into the sharpest focus.

The flattery of the shade also depends on the shades of cosmetics worn with it. What they should be is determined by your individual skin coloring.

Is your skin brunet—creamy to olive? If so, your foundation and powder should bear the underlying tone of your skin, and then be well laced with pink. The lipstick for you is a clear strong red.

Is your skin fair—on the alabaster or pink side? Then your becoming selections are a foundation that matches your skin and a non-chromatic (colorless or close to colorless) powder. Such powders play up fairness, and in this instance the effect is a vital beauty consideration. For more of the same, wear a rose-pink lipstick.

What about eye cosmetics? Seagreen shadow for brown eyes, sky-blue for light ones.

To the above advice, there is an exception—the red-haired lovely. She should forego magenta in favor of a deeper shade, like black cherry. Then she would wear a creamy base, a coral-pink lipstick and emerald shadow.

63 MENNONITE  
PUPILS LEAVE  
PUBLIC SCHOOL

LANCASTER, Pa. (AP) — "Everything is turning toward unbelief," said Lemon Martin, a spokesman for 25 Mennonite families, in explaining the withdrawal of 63 Mennonite children from public schools in nearby East Earl Township.

The parents of the children withdrew them because, they said, there is too much atheism being taught through science.

Martin said "there's too much science studying... So the only thing we could do is teach ourselves."

## TO USE WASHHOUSE

The children, pupils in grades one to six, will be taught the way the Mennonites believe. The families plan to use a converted washhouse and a renovated poultry house on two farms as classrooms.

Ivan Wittwer, head of the township school board, said over the weekend that the families had the legal right to provide education if they wished.

Referring to the fact that the township had closed some one-room schools and opened two modern buildings at Union Grove and Blue Bell, Martin said:

"There's going to be a lot of new ways in the new buildings." The Mennonites adhere to an austere faith. Most refuse to ride in an auto. They have no electricity in their homes.

Paolo Rosi Eyes  
Bout With Brown

BOSTON (AP) — Lightweight Paolo Rosi today eyed a proposed title bout with champion Joe Brown on the basis of his quick dispatching of young Jackie Donnelly.

Rosi, born in Italy but now living in New York, scored a technical knockout over Donnelly, 22, in a nationally televised fight at Boston Garden Saturday night. Referee Joe Zupatas halted the scheduled 10-rounder at 2:20 of the second round.

Rosi lost in a title bid to Brown two years ago, but Boston matchmaker Sam Silverman has offered Brown a \$50,000 guarantee to defend his crown here later this year against the Rosi-Donnelly victor.

Brown has not yet agreed to the match.

"I'll Be A Better  
Pitcher," Spahn

MILWAUKEE (AP) — Warren Spahn says he'll be a better pitcher next year.

As long as the 40-year-old Milwaukee Braves left-hander says so, it probably will come to pass. Spahn made the prediction Sunday just after notching his 12th season of 20 or more victories, tying him for third place in the record books with Walter Johnson.

He immediately set his sights on the record of the No. 2 man, Christy Mathewson, who turned the trick in 13 seasons.

"I'll be an even better pitcher next year," Spahn said. "If I don't have something to shoot for, I get sort of an empty feeling inside. A guy's always got to have a challenge to keep going. This gives me another incentive."

FOUR KILLED  
WHEN VEHICLE  
HITS ABUTMENT

PARKTON, Md. (AP) — Two men and two women from Harlinsburg, Pa., died Sunday when their station wagon slammed into a bridge abutment and burst into flames on U.S. 111 about a mile south of here.

State police identified the victims as: Lewis M. Aronson, 38, the driver; Aronson's wife, Lilian; Attorney Benjamin L. Levi, and Mrs. Samuel (Celia) Abrams.

Police said Norman S. Boltz, of Lebanon, Pa., a passerby, dragged Levi from the wreckage before the station wagon's gas tank exploded, creating a holocaust which prevented immediate removal of the other occupants.

## LIKE AN INFERNO

The other three victims were burned beyond recognition.

"It was like an inferno. I have never seen so much smoke and flame," said John Wright, 17, of Ruxton, Md., another passerby.

Troopers said the station wagon was northbound from Baltimore and about seven miles from the Pennsylvania border at the time of the accident. Within minutes, some 500 spectators gathered near the flaming wreckage, and at least 100 cars halted along the highway.

Witnesses reported that sounds of a woman's screaming voice could be heard emerging from the blazing death trap.

The victims had been visiting the Aronsons' daughter.

LOSES 3 GAMES  
TO SAME TEAM

By HAROLD V. RATLIFF  
Associated Press Sports Writer

When a team beats another three times it should at least give the hint of superiority.

That's what San Diego has done to Houston, the defending American Football League champion, and the hint is strong enough that the Chargers are easy favorites to win the title.

The Chargers haven't lost a game all year, either exhibition or league, and are the only unbeaten team in the field.

Sunday they whipped Houston 34-24, holding a 31-3 lead at the half and coasting in. Twice in the exhibition grind the Chargers laid it on Houston, beating the 1960 champs 27-14 and 35-27.

San Diego tops the Western Division with a 3-0 record while New York and Boston are tied for the lead in the Eastern Division with 2-1.

New York beat Denver 35-28 and Boston nosed out Buffalo 23-21 the past weekend to push into the deadlock for the top. Houston fell down to third place with a 1-1 record.

Dallas moved into undisputed second place in the Western Division when the Texans managed to beat Oakland 42-35.

## A Bit Of History About Early Settlers

By B. F. M. MacPHERSON

### ROBERT MORRIS AND THE REVOLUTION

The biographical notes pertaining to Robert Morris, financier of the American Revolution, are continued at this time.

In April of 1776 John Adams wrote to Horatio Gates — in part — "You asked me what you are to think of Robt. Morris? — I think he has a masterly Understanding, an open Temper and an Honest Heart — He has vast designs in the mercantile way. And no doubt pursues mercantile ends, which are always gain; but he is an excellent Member of our Body." Rather high praise from New Englander John Adams and well merited for Robert Morris richly deserved the respect and confidence of his fellow patriots.

Morris voted against the Declaration of Independence of July 1776 — thinking it premature — but he signed it in August of the same year, and thereafter wished the whole-attention of the country to be given to the prosecution of the war for having once made up his mind he bent all his energies toward attaining the desired goal.

### CONTINUED AID

After the flight of Congress from Philadelphia in December, 1776, Robert Morris remained in the city to carry on the work of his committee. He bought supplies and borrowed money in the face of appalling difficulties, providing General Washington and the leaders in the field not only much needed material assistance but moral support as well. Without this the army must have been dispersed. The bleak winter at Valley Forge was the turning point of the War of the American Revolution and without the help of Robert Morris the tide might well have turned in the wrong direction.

In the spring of 1777 the Committee of Secret Correspondence became the Committee of Foreign Affairs, and in July (1777) was reconstructed as the Committee of Commerce. Through all these changes Morris remained a member and, on many occasions, served as its banker. There is no doubt that he made large profits — on the other side of the ledger — he took great risks — and he "employed for the public all the knowledge or opportunities which he possessed."

### FAMILY TROUBLES

During the winter of 1777-78 family troubles beset Robert Morris. The misbehavior of his younger half brother, Thomas Morris,

caused him both grief and anxiety. He (Robert Morris) had secured for the young man an appointment as commercial agent for the United States at Nantes, France. Thomas Morris' mismanagement of his post caused a temporary misunderstanding between his sponsor and the commissioners, Silas Deane and Benjamin Franklin. The matter was not cleared up until after the death of young Morris in 1778. Robert Morris apparently felt a great responsibility for the children born of his father's second marriage and the comparatively early death of Robert, Senior, served to intensify this feeling. It might almost be said that he (Robert, Junior) tried to take the place of a father but his efforts met with but little success — or appreciation.

Robert Morris signed the Articles of Confederation, on behalf of Pennsylvania, in March 1778. In August he (Morris) was made chairman of the Congressional Committee on Finance — serving until the expiration of his term, November 1, 1778. Being ineligible for re-election, under the democratic constitution of Pennsylvania he continued his exertions in the Pennsylvania Assembly, to which he was immediately elected — taking his seat November 6, 1778.

### "TORN BY ARGUMENTS"

During the winter of 1778-79 Congress was torn by arguments over the conduct of Silas Deane. Robert Morris took no part in the controversy, although his sympathies were with Deane, with whom he had had commercial relations. However, in January, 1779, Thomas Paine, through the public press, attacked Morris as well as Deane for conducting private commercial enterprises while on January 9, 1779, Henry Laurens made charges of fraudulent transactions against the firm of "Willing and Morris." A congressional committee investigated the charges and at the request of Robert Morris examined his books — reporting as their opinion "that the said Robert Morris has acted with fidelity and integrity and an honorable zeal for the happiness of his country." This should have put an end to the matter but, unfortunately, such was not to be the case.

The charges brought by Henry Laurens and the Silas Deane controversy affected the opinion toward Robert Morris by many of his political opponents, who, being poor, resented his great wealth. It never entered their thoughts that Robert Morris, too, had started

out in life with but little — if any — money. The fact that he had, by through his own efforts, become a wealthy man did not deter his enemies in the slightest degree. Envy seldom needs much nourishment in which to take root and grow.

### OUTLOOK IS DARK

During the winter of 1780-81 the outlook for the Continental cause was wholly dark, less for want of military strength and capacity of direction in the field than for the means of making these available. The paper currency was not worth the cost of printing it; on further loans in Europe hope might not confidently rest; the states had been called upon for their quotas, but the union under the Articles of Confederation was a "rope of sand" and no importunities would avail without power of enforcement. The Treasury was empty, credit was gone. As early as February, 1780, Palatiah Webster had advocated the appointment of a single financier to supplant the committee and a short time later Alexander Hamilton recommended Robert Morris for the post. That a financial dictator was needed was recognized by Congress in February, 1781, and on February 20, without a dissenting vote, Morris was chosen superintendent of finance.

Before accepting this somewhat unique office, in which he (Morris) would assume a burden such as had rarely been placed on the shoulders of any one man, the financier insisted that Congress recognize his right to retain his private commercial connections, and that he be permitted to control the personnel of his department. Congress demurred at first but finally agreed — they had no other choice — Morris was needed too desperately.

The biographical data on Robert Morris will be concluded in this column next week.

## DROUGHT HITS NEARBY AREAS

Adams County is apparently an oasis compared to some nearby areas as far as water is concerned. Reports from York and Frederick Counties list water shortages but Adams County, with the exception of possibly a few small areas, seems to have had enough rainfall to "keep anybody from hurting."

York County, reporting only a half inch of rain in the last 26 days, following subnormal precipitation throughout August, quoted its farm agent as saying that in some places in that county the soil is too dry to begin plowing for winter oats, barley and wheat. Conservation agents there also warned that with autumn approaching, grass fields and forests will become tinder dry fire hazards

## U.S. DIPLOMATS MAY BE GIVEN COMPACT CARS

By LEWIS GULICK

WASHINGTON (AP) — Block-long limousines may be on the way out for U.S. diplomats abroad.

If a State Department experiment works out, the ambassador of the future will ride in a compact limousine that is more economical and with parts more easily obtained in strange corners of the world.

There's another advantage, too. He'll be able to get in and out of them without removing his top hat.

From the outside, the new-look limousine resembles a cab painted black. It is in fact a medium-size sedan produced by the Checker Motors Corp., a builder of taxicabs.

### AIR CONDITIONED

On the inside, the car features such extras as gray broadcloth upholstery, air conditioning and a glass partition so the passengers' talk won't be overheard by the driver.

Word of the experiment was carried in the latest issue of the State Department's "News Letter," a monthly magazine. It indicated the U.S. ambassador to the Soviet Union, Llewellyn Thompson, himself suggested the change.

One of the compacts has just been shipped to Moscow. A second will be bought for San Salvador. The department wants to see how these work out before purchasing more.

If there is not more rain soon, At Thurmont in Frederick County, plans are being discussed for construction of a dam on Hunting Creek to rid Thurmont of its annual water shortages.

Mayor Donald Lewis reported that Thurmont last week had to appeal to its residents to conserve water, and wells had to be put into use to supplement the town's reservoir. To avoid future water shortages the town hopes to obtain approval from Maryland's Department of Forests and Parks for construction of an impounding dam west of the town.

## DOES GETTING UP NIGHTS MAKE YOU FEEL OLD

After 35 common kidney and bladder irritations often occur and may make you tense and nervous from too frequent burning or itching urination both day and night. Secondly, you may lose sleep and suffer from headaches, backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by burning irritating germs in strong, acid urine and by giving analgesic pain relief. Get CYSTEX at drugists. Cheer up and feel better fast.

## Red Nuclear Test Is Felt In Japan

TOKYO (AP)—Japan's Central Meteorological Agency announced Saturday that a minor atmospheric disturbance believed caused by a Soviet nuclear blast was detected in Japan Friday night.

The abnormal atmospheric pressure, the agency said, was recorded at three observation stations.

The atmospheric disturbance is believed to have been caused by a nuclear explosion of several megatons—a force equal to several million tons of TNT—the agency said.

It was not clear whether it was a new explosion or reaction from the Soviet Union's 15th test, which was reported in Washington Friday by the U.S. Atomic Energy Commission.

chasing more.

### CARS WERE BEAT UP

When he was here last March, Thompson complained about troubles in keeping up his passenger cars in Moscow—"one expensive make in particular," the newsletter said.

The emissary to the Soviet Union said the cobblestones and rough roads in the Soviet Union beat up his American cars too much and he had difficulty getting high octane gasoline. He suggested too that a smaller vehicle would be less ostentatious.

Acting on this hint, State Department purchasers went ahead to buy the first two models. They put two utility jump seats in the cars and are thinking of other improvements in later models.

The department buyers cited these favorable features:

1. A \$3,800 price, well below the outlay for some full-size limousines.
2. A six-cylinder engine with standard transmission and generally rugged construction with parts more easily obtainable abroad than for more complicated machines.
3. A roof high enough to allow riders to get in and out easily.

## SAYS CURFEW IS EFFECTIVE IN THURMONT

Mayor Donald L. Lewis of Thurmont has reported that the curfew placed in effect in that town earlier this month has proven to be very effective.

The curfew ordinance, which requires children under 18 years of age to be off the street by midnight, was enacted after town authorities had encountered some problems with youngsters loitering on the streets sometimes until 2 or 3 a.m.

Mayor Lewis stated, however, that the loitering youngsters had not created any serious problem but it was felt that a curfew should be enacted so that if the problem became serious the law officers would be able to act under the law.

### POLICE MAKE DELIVERY

He said the new ordinance should also prove beneficial in getting rid of the hot-rod nuisances who speed through the town in the early morning hours.

The curfew states that it is unlawful for children under 18 to loiter on foot, in automobiles, or otherwise in the streets or other public places within the town after midnight.

If a child under 18 is found loitering after midnight, the police are authorized to deliver him to his home. A record will be kept and not only the child but the parent faces punishment.

### PENALTIES PROVIDED

If one child is escorted home by the police more than once, his parent or guardian is subject to a fine of not more than \$50 and if a child is picked up more than three times it shall be reported to the county probation officer.

Mayor Lewis said he believes that most other towns in the county have similar ordinances but doubted if they had been advertised. He said the ordinance has to be advertised to be legal. Gettysburg adopted a curfew

## Driver Killed As Car Drops 50 Feet

GLASSPORT, Pa. (AP)—A car shot over a 50-foot embankment after hitting a moving car and a parked car near here Friday night, killing Donald Dunkerley, 35, of Glassport.

Police said Dunkerley was driving the auto that tried to pass the other moving car. His passenger, Eugene Jablonski, 29, of Glassport was detained at McKeesport Hospital with lacerations.

Charlotte Dyer, 47, of Elizabeth R. 1, who was riding in the other car, was treated and released.

## 3 Negroes End 16 Day Hunger Strike

ELKTON, Md. (AP) — Three Philadelphia Negroes ended their 16-day hunger strike Friday when they were released from custody and their \$50 fines for trespassing were suspended.

Friends carried vacuum bottles of drink and food for the three as they helped them from Cecil County Court.

Released were Mr. and Mrs. Wallace F. Nelson and Miss Rose Robinson, arrested Sept. 6 after being refused food at a restaurant on Route 40 six miles from Elkton.

They had refused to enter pleas and declined to testify at their trials before three separate juries. Sentencing was imposed Friday after disposition of a companion case.

## CHARGE FIRMS IN PRICE SUIT

PHILADELPHIA (AP) — The federal government has filed damage suits against nine electrical manufacturers convicted earlier this year in price-fixing conspiracy cases.

The suits, filed Friday in U.S. District Court here, were the eighth filed by the government as a result of the conspiracy.

Atty. Gen. Robert Kennedy said in Washington that the nine firms make substantially all the electrical insulators in the country.

He said specific amounts the government seeks to recover were not included in the suits because the Justice Department is still reviewing the purchase of insulators during the time of the conspiracy.

Named in the suits were the General Electric Co., Lapp Insulator Co., I-T-E Circuit Breaker Co., A. B. Chance Co., McGraw Edison Co., H. K. Porter Co., Inc., Ohio Brass Co., Porcelain Insulator Co., and Joslyn Manufacturing and Supply Co.

Kennedy said Joslyn was the only company named in the suit which was not a defendant in the insulator conspiracy case last December. The eight other companies pleaded no defense then and were fined a total of \$95,000.

Joslyn, Kennedy said, was named because it acquired Porcelain Insulator in 1960, the last year of the four year conspiracy described in the indictment.

## BILL RAISES PENALTIES FOR DOPE PEDDLERS

HARRISBURG (AP)—Gov. Lawrence has approved legislation calling for stiffer penalties for narcotics violators.

The measure, signed Friday, boosts the present 5-10-year jail term for first offenders to 5-20 years and the 10-20-year sentence for second offenders to 10-30 years.

It increases second offense fines from \$10,000 to \$15,000.

Lawrence also approved a companion bill imposing tighter restrictions on the postponement of narcotics trials. This measure requires that the president judge of the court involved approve the request for a trial postponement.

Both laws go into effect in 60 days.

Other laws signed by the governor will:

Authorize Pennsylvania race tracks to sell beer and liquor.

Permit a supervisor or qualified employee of a second class township to attend any school in the state run by the state or federal governments.

Previous law restricted such attendance to the home or adjacent counties.

Create a seat on the State Real Estate Commission for cemetery lot salesman.

Today, Lawrence signed into law a package of bills tightening up regulations on the taxation of mobile homes and house trailers.

The seven new laws provide that mobile homes must be taxed as real property on the basis of actual market value.

One of the new laws also bars discriminatory taxation of mobile homes and trailers. Another spells out the tax liability of the owner of property on which mobile homes are located.

## Trailer Causes Jam In Pike Tunnel

BEDFORD, Pa. (AP)—The collapse of a tractor trailer inside the Allegheny Tunnel near Bedford backed up Pennsylvania Turnpike traffic Friday night for eight miles and 2½ hours.

State police said the truck was loaded with barrels, drums and cans and broke in two about 150 feet inside the tunnel, which is about 22 miles west of here. Driver Robert Leonard, 28, of Cuyahoga Falls, Ohio, was unhurt.

ROME (AP)—Hundreds of non-Communist unionists marched toward the Russian Embassy today bearing anti-Russian signs demanding a halt to Soviet nuclear tests.

The demonstration was called by the Rome branches of Italy's two big non-Communist unions, the Free Italian Labor Syndicate (CISL), and the Union of Italian Labor (UIL).

BERLIN (AP)—West Germany's President Heinrich Lübke arrived here today in an American Air Force plane for a three-day visit which will include formal inauguration of West Berlin's new opera house Sunday.

The East German Communists have denounced Lübke's visit as a provocation and misuse of the Allied air corridors between Berlin and West Germany. Such protests are habitually made when prominent West German politicians come to Berlin by air, avoiding Communist controls.

STOCKHOLM (AP)—Sweden will strengthen its 1,360-man U.N. force in the Congo with a mortar platoon and more weapons and ammunition, the Foreign Ministry announced Friday night.

UNITED NATIONS, N.Y. (AP)—President Kennedy and Prince Norodom Sihanouk of Cambodia will confer in New York Monday, a usually well informed source said Friday.

## Get Much Company In Fallout Shelter

SALISBURY, Md. (AP)—Mr. and Mrs. Oscar Taylor may be wondering how crowded their fallout shelter would be in the event of a nuclear attack.

The underground shelter, built for the Taylor family of four at a cost of about \$1,250, has been described as ideal by civil defense officials.

That's the way friends and relatives apparently felt early in the week when Hurricane Esther threatened this area. Mrs. Taylor said 12 persons requested permission to use the shelter.

## BLASTS INJURE REDS' PRESTIGE

WASHINGTON (AP)—The Soviet Union's resumption of nuclear tests after a 3-year halt has given the Soviets their worst propaganda setback since Red tanks crushed the 1956 Hungarian revolt, the U.S. Information Agency reports.

The Soviets went testing in the atmosphere Friday, firing their 15th explosion since Sept. 1.

While the new tests have directed world-wide criticism at the Kremlin, there has been no balancing rise in pro-American sentiment abroad.

This assessment of international feelings was issued Friday by the USIA following a study of overseas press and radio commentaries.

PROTECT PEOPLE The government took steps to protect the public's health from potential radiation hazards, natural and man-made.

Through the White House, the Federal Radiation Council issued a set of recommended control actions based on the degree of seriousness which might develop in radiation exposure.

Actions would range from monitoring, surveillance and routine control, with little interference in a given area's usual activities, up to those "which involve a major disruption, such as condemnation of food supplies."

## Hunger Striker In Poor Condition

AMRITSAR, India (AP)—Sikh Leader Master Tara Singh was reported in grave condition today the 40th day of his hunger strike.

Singh, 76, is fasting to support a demand for a separate state within India in which the Sikh religious minority would dominate.

Himdu Yogi Surya, who began fasting at the same time in opposition to Singh's demand, was reported in a steadily weakening condition.

Prime Minister Nehru's government is standing firm against creation of a Sikh state despite efforts by various mediators to win some concessions which might permit Singh to end his fast. It is feared death of the aged religious leader might provoke riots and bloodshed.

## GOLF CLUB GETS FEED PAYMENTS

BLAIR, Neb. (AP)—The Blair Golf Club is waiting for its second check from the government under the feed-grain program.

The club got \$228.20 last spring as an advance payment for taking 14 acres of land that previously had been planted to corn and milo and turning the land into fairways for the golfers.

Before that, club officials said, it had been the practice of the club to rent the land to farmers. Last fall the club decided to redo the course layout and took the land for additional fairways.

That led to the application for government payments. Roland P. Smith, manager of the Blair Agricultural Stabilization and Conservation Office, ruled the club had all requirements for payment under the feed-grain law, having taken the land from production and planted blue grass and alfalfa.

The second check will be a little larger than the first one, Smith said.

MUENSTER, Germany (AP)—The huge bonnets of the Clemens nursing nuns and the motor age don't go together, the local bishop's office announced Saturday. The bonnets must go.

The Catholic order, whose headquarters is here, is active in caring for out-patients and the nuns sometimes drive a car to reach them. The Vatican approved the change in the nuns' habit so their view will not be obstructed in driving.

## SEE NEUTRALS FAVORING ONE U. N. EXECUTIVE

EDITOR'S NOTE — The Soviet campaign to set up a three-headed U.N. executive mushroomed into crisis for the United Nations with the death of Dag Hammarskjöld. Tom Hoke, who has been reporting on U.N. news for a decade, examines the current prospects for its solution.

By TOM HOGE

UNITED NATIONS, N.Y. (AP)—Just one year ago today Soviet Premier Khrushchev began a shoe-pounding campaign to bludgeon the United Nations into replacing Dag Hammarskjöld with a board of three men.

Then fate handed the Communists a tragic opportunity: Hammarskjöld's death. Now their

campaign is beginning to boomerang. They seem to be pounding too hard with that shoe.

With the Asians and Africans fearful of the vacuum created by Hammarskjöld's death, Moscow apparently had hoped to stampede them into backing its three-headed "troika" plan for a board representing the Communist, Western and neutral nations.

### POLICY FORUM

But instead of a stampede, the Soviets' latest campaign loosed a tide of resentment among the smaller nations. For many of them the United Nations is their major foreign policy forum and they hesitate to see it destroyed.

A number of smaller countries had toyed with the idea of setting up a troika-type board of U.N. undersecretaries to run the far-reaching U.N. organization until a new secretary-general could be chosen. Most now are coming around to the U.S. position that a single chief must be named either on a stop-gap or permanent basis.

The shift is reflected in a move by a group of neutrals for the General Assembly to name an interim secretariat chief. More than 30 countries are reported to have lined up behind it.

WAIT FOR KENNEDY U.S. Secretary of State Dean Rusk attempted to give the neutrals a push Friday by appealing for the assembly to defy Soviet opposition and choose "an outstanding world leader" as temporary secretary-general.

The neutrals were reported to have decided to wait until after President Kennedy addresses the assembly on Monday to put forward their plan formally. The President is expected to call for strengthening the United Nations, and it would be hard for him to skip the problem of the vacant secretary-general's post.

The sponsors still have to settle on a candidate. The United States is known to favor Mongi Slim, this year's assembly president. Another possibility is U Thant of Burma, who has strong Asian and African support.

## Tree Causes Power Shortage In Erie

ERIE, Pa. (AP)—A tree that became entangled with power lines south of Erie caused a disruption of electrical service in the area for about 20 minutes Friday.

Pennsylvania Electric Co. had to cut down the tree before restoring power.

General Telephone Co. said black smoke hung over its building when its emergency generator became overloaded. The firm said the generator couldn't take the load caused by the great number of persons using telephones to try and learn the cause of the power failure.

and Mrs. Clarence Sindlinger, Thomasville R. 1, near town, was awarded one of six scholarships by the York County Agricultural Society, which operates the York Interstate Fair. He is a student at Pennsylvania State University's York Campus.

## CONGRESSMEN HOPE TO CLOSE TUESDAY NIGHT

WASHINGTON (AP)—Congress goes back to work today, hoping for adjournment by Tuesday night at the latest. The leaders were keeping their fingers crossed.

Still to be disposed of were three appropriations bills. If all goes smoothly, there is a chance Congress members still in town may be on their way home or starting jaunts as early as to night.

Saturday was to have been the windup of the present session. Apparently, much of the House took the hope seriously and House leaders were wondering today if a quorum would show up.

These are three major items remaining:

1. The foreign aid bill—it has passed both branches, but awaits a final settlement in a Senate-House conference. The Senate voted \$4,196,600,000 — \$539 million more than the House. Reports persist that a behind-the-scenes agreement has been reached.

### PUBLIC WORKS BILL

2. A public works measure carrying funds for rivers and harbors, flood control, reclamation and atomic energy projects — it also has cleared both branches, the Senate voting \$3,940,926,880 and the House \$3,662,701,380. Conferees may meet today.

3. A final supplemental, catch-all measure — the House voted \$573,040,923, the Senate Appropriations Committee upped this to \$1,060,894,578.

Plans to close down the 1961 session Saturday night collapsed when Republicans blocked Senate Democratic Leader Mike Mansfield's plan to bring up the supplemental bill.

President Grover Cleveland accepted the Statue of Liberty from France on behalf of the United States on Oct. 28, 1886.

## Teacher To Appeal Retirement Order

EBENSBURG, Pa. (AP) — School districts can retire female teachers before they reach the age for maximum social security benefits, a panel of Cambria County judges says.

This ruling, made Saturday, upheld an earlier decision by Judge Alton A. McDonald on a suit filed by Mabel Hopper of Portage. Miss Hopper, a teacher in Portage schools for 43 years, had her contract terminated last year at the age of 62 by the Portage Area School District. She claimed she would receive 20 per cent less social security because of the forced retirement at that time.

Miss Hopper's attorneys said they will file an appeal with the state Superior Court immediately.

Perennial winner Johnny Mackinson won the 25-lap feature jockey stock car race at Lincoln Speedway Saturday night with Ralph Smith second and Pee Wee Poblitts third.

Ray Kable and Smith won heats in the sportsman-modified division.

Bobby Goodling was the feature winner in the strictly stock division, followed across the finish line by Willie Musselman and Skip Emlet. Heat winners were Edgar Boerner and Charley Wierman.

The series of Saturday races will continue next Saturday with an 8 p.m. starting time.

## Fractured Skull Causes Man's Death

PITTSBURGH (AP) — A fractured skull suffered in an auto accident has claimed the life of Robert Zehfuss, 34, of Sewickley. He died Saturday at Mercy Hospital. Zehfuss' car smashed against a pole in McKees Rocks Sept. 2.

## WELLES DIES EARLY SUNDAY

BERNARDSVILLE, N.J. (AP) — Sumner Welles, 68, undersecretary of state for six years during the administration of President Franklin D. Roosevelt, is dead.

Welles died early Sunday at the home of his wife's family after an illness of three weeks. He had suffered a heart attack some years ago.

A specialist in Latin American affairs, Welles was credited with coining the phrase, "good neighbor policy," and of persuading President Roosevelt to pursue such a policy.

Welles served briefly as ambassador to Cuba and later was in charge of the State Department's division of Latin American affairs.

He was one of the principal American diplomats assigned by Roosevelt to work on the formulation and organization of the United Nations.

Welles was named assistant secretary of state in 1933 after Roosevelt's inauguration. He was promoted to undersecretary, the No. 2 position in the State Department four years later.

His resignation in the summer of 1943 was believed to have resulted from a clash of personalities with Secretary of State Cordell Hull. Hull was said to have resented Welles' habit of going directly to the White House with problems and advice.

## SLEICHTER WINNER

Dick Sleichter, pro at the Gettysburg Country Club, won low pro honors in the pro-member golf tournament at the York Country Club on Sunday. He posted identical nine-hole scores of 34-34 for a four-under-par 68 to edge Ken Stear of Huntingdon Valley by one stroke.

Miss Mary Lou Finck became the bride of Duane D. Eckert, son of Mr. and Mrs. Edwin Eckert, of Biglerville, Sunday afternoon in Centenary EUB Church, Biglerville. The bride is the daughter of Mr. and Mrs. Fred Finck, of Biglerville.

Rev. Laverne E. Rohrbach officiated. Music was presented by Mrs. Orville Faust, organist, and Charles L. Yost, vocalist. A reception was held in the Aspers fire hall.

Mrs. Ronald Shank, of Aspers, was matron of honor for her cousin. Bridesmaids were Miss Carol Eckert, sister of the bridegroom; Mrs. Willis Finck, of Biglerville, sister-in-law of the bride, and Miss Phyllis Cashman.

Richard Beatty, of York, was best man. Ushers were Barry Clapsaddle, of Arendtsville; Willis Finck, brother of the bride, and Ray Mackley, of Gettysburg.

The couple are graduates of Biglerville High School. The bride is employed in the bookkeeping department of the Gettysburg National Bank. Her husband is self-employed.

They left on a trip to Florida after the reception.

## BUY HOME HERE

Mr. and Mrs. Gordon Webster, Cincinnati, have sold their property at 135 S. Howard Ave. to Mr. and Mrs. Francis E. Timlin, Gettysburg R. 3. Immediate possession was given. The sale was made by Lee M. Hartman, local realtor. Mr. Timlin is a consultant for an office furniture line.

Easy weekend cooking: Make extra meat loaf and serve it sliced and cold, along with cole slaw, as a filling for sandwiches.

# Littlestown WORLD-WIDE COMMUNION TO BE MARKED

World-wide Community Sunday will be observed October 1 in Centenary Methodist Church with the regular service at 10:30 a.m. and the quiet communion service at 4 p.m. The offering will go to the fellowship of suffering and service.

The pastor, the Rev. William R. Jones, delivered a sermon on the subject "That Wonderful Text," at the worship service on Sunday morning. The Scripture lesson was read from Acts 2: 22-47. An anthem was sung by the choir. The altar flowers were presented by Mr. and Mrs. Ira C. Mummert in honor of the birthday of their daughter, Miss Regina E. Mummert. The new altar flower chart has been placed in the vestibule to be signed by donors. Bulletin sponsors should contact the pastor.

Centenary Senior Choir is rehearsing at 6:30 p.m. Tuesday. The monthly meeting of the Official Board will be held at 8 p.m. on Wednesday. The Methodist Men will meet on Thursday at 7:30 p.m. at the church. A food sale will be held by the Women's Society of Christian Service at 4 p.m., Friday, October 6, at the engine house. There will be a meeting of the food sale committee on Thursday at 7:30 p.m. at the home of Mrs. Mrs. Ruth Smith. Laymen's Sunday will be observed October 15; Harvest Home, October 22; a special session of the annual conference in Harrisburg, Tuesday, October 24.

## NEWS OF REDEEMER'S

The Rev. Glenn Flinchbaugh, pastor of Redeemer's United Church of Christ, delivered a sermon on the subject "Ye Must Be Born Again" at the fall preparatory service held on Sunday morning. He read the Scripture from St. John 3:1-21. The Senior Choir sang the anthem "Create In Me a Clean Heart," accompanied by the organ by Mrs. George A. Stonestifer. The bulletins for September were given by Mr. and Mrs. W. Richard Marshman in memory of his father, William H. Marshman. A used clothing drive is now in progress and will continue through November 5.

The Women's Guild of Redeemer's will meet this evening at 7:30 p.m. in the church social and Mrs. Glenn Flinchbaugh is chairman for the program on the theme "The Witness of the Mission of the Church Through My Vocation." There will be a report from the nominating committee composed of Mrs. George I. Bemiller, Mrs. John W. LeGore and Miss Helen Jacobs.

A social gathering of the Young Men's Bible Class will be held at 8 p.m. on Wednesday at the church. Colored sports films will be shown and refreshments will be served. The choir will rehearse on Thursday, Cherubs at 6:15 p.m., Juniors at 6:45 p.m., and Seniors at 8 p.m. World-wide Communion will be observed next Sunday with services at 8:30 and 10:30 a.m. The Senior High Youth Fellowship will have its initial meeting of the season on October 1 at 6:30 p.m. The Junior High Youth Fellowship, seventh and eighth graders, will also have the first meeting next Sunday at 6:30 p.m., with adult counselors. A first year catechetical class will be organized on Monday, October 2 at 3:45 p.m. in the church. Those 12 years of age or over are urged to attend. The second year catechetical class will open their meetings about November 1.

BRANTFORD, Ont. (AP) — Dr. Jacob Zhidkov, 76, president of the Russian Baptist Union, says the fear of a third world war is as great in the Soviet Union as it is in the West.

Most Russians do not want another war and "fervently hope there won't be one," Zhidkov said in an interview Sunday. Zhidkov is in Canada as a guest of the Baptist Federation of Canada.

## POLICE SOLVE ODD ROBBERY

LANCASTER, Pa. (AP) — Officials of the Fulton National Bank of Lancaster and police had been puzzled since last week about an apparent attempted burglary of the bank after finding a smashed glass window on the second floor.

Why, they wondered, would anyone try to break into the bank from the second floor, which housed only offices, when the vault was in the basement.

They got their answer Sunday when they completed rounding up a gang of six young men and charged them with committing several burglaries in the area.

### WANTED NO PART

Police said three of the young men, Charles Seals, 21, his brother,

Richard, 20, and John E. Green III, 18, admitted they smashed the window, thinking they were breaking into a five-and-ten cent store.

Once they got in, police quoted them as saying, they had a hard time getting out. Officers said they tried desperately to get out because they "wanted no part of a federal offense." They hurried from office to office looking for an exit but the doors slammed behind them and locked, police

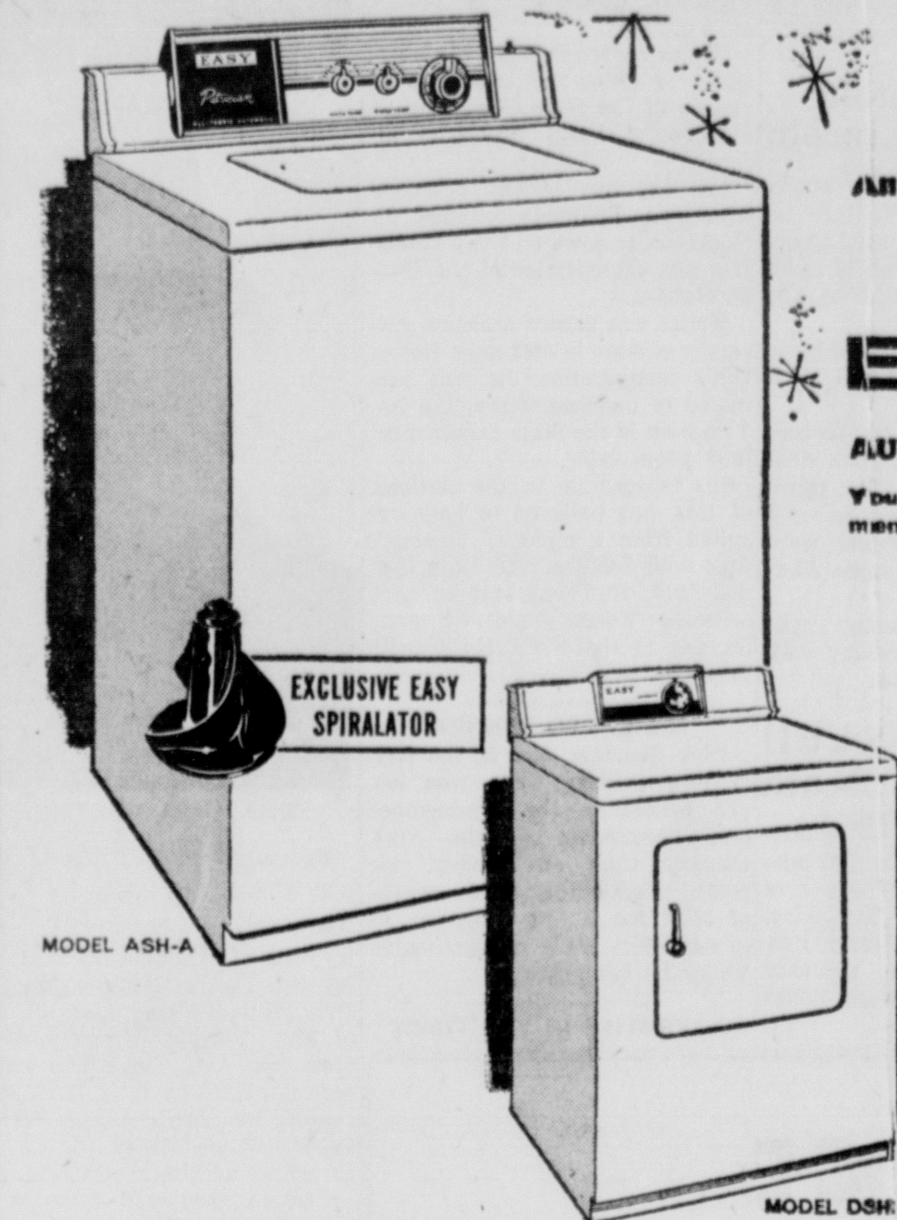

said. Finally they escaped through an emergency exit.

NAIROBI, Kenya (AP) — Jomo Kenyatta, who was imprisoned for nine years for leading the Mau Mau anti-white terrorists, says he has foresworn violence.

"There is no real freedom when there is violence," he told a rally of 120,000 followers Sunday at Nyeri. "We want unity and freedom. We don't want to steal land or farms from the Europeans."

## 5,000 IN STATE WILL GET NEW DRIVING TESTS

HARRISBURG (AP) — Some 5,000 Pennsylvania motorists will be required to take visual and physical examinations next month as part of the Commonwealth's traffic safety program.

The State Revenue Department said over the weekend it is notifying drivers whose operators' registration numbers range from 45,001 to 60,000. The number appears directly below the signature on the operator's permit.

O. D. Shipley, traffic safety commissioner, said the program is designed to test some 20,000 persons a week until all of the approximately 5½ million motorists are checked. The program will take more than seven years.

The examinations are a resumption of tests inaugurated last year when 190,000 motorists were checked before tests were halted to give the traffic safety bureau an opportunity to expand its facilities.

### GET OPTIONAL DATAS

Each driver will receive a re-examination certificate with a separate form listing the various state police visual testing points.

Drivers will be assigned a specific week in which to take the visual tests. They may select any day of the week, but all must complete the process within 60 days, the department said.

Following the visual test, the driver must undergo a physical re-examination by his own physician. The physician will forward the examination results to the state.

## Gets Second Trial On Murder Charge

ATHENS, Greece (AP)—Joann Baker, wife of a U.S. Air Force sergeant, today faced a new trial after being acquitted on charges of strangling her three children last May. Greek law permits more than one trial for an offense.

The jury of seven men and three women had ruled that Mrs. Baker, 28, from Stockdale, Tex., should be freed because she killed the children "during a mental upset in which she could not distinguish right from wrong."

Mrs. Baker had testified she had tried to kill herself after strangling the children. She said she wanted to show her husband "what wrong he had done us" after he beat her and she had found pictures of him with another woman.

## SEARCH FOR 7 LOST IN OCEAN

HAMILTON, Bermuda (AP) — Three U.S. Navy airmen who survived a ditching in the Atlantic were under treatment here today as search continued for seven of their crew mates.

Planes and ships searched north of Bermuda where a Marlin P5M patrol bomber plunged into the sea Friday night after one of its engines caught fire.

The three survivors landed here Sunday appeared in good shape but one, Aviation Metalsmith 2C Patric J. Imhof of Lebanon, Pa., suffered from a shark bite. His injury was not serious.

Also picked up by the American owned ship African Pilot were Lt. (JG) Peter D. Hofstedt, of Tarrytown, N.Y., and Aviation Technician 1C Jack M. Dockery of Hampton, Va.

Missing are: Lt. Cmdr. Albert J. Tait, Kansas City, Mo.; Lt. (JG) Cameron Page Cooper, Nashville, Tenn.; Aviation Machinist 2C Charles R. Dunaway, Fort Worth, Tex.; Aviation Technician 2C David W. Wood, Fond du Lac, Wis.; Aviation Electrician 3C Edwin D. Thompson, Baton Rouge, La.; and Aviation Ordnanceman 3C Charles Turner, Montclair, N.J.

## NAB GRIDDERS FOR ASSAULT

LEXINGTON, Ky. (AP) — Four University of Miami football players, three of them from Pennsylvania, were charged with breach of the peace Sunday after a fight with two soldiers outside a bar in the downtown area.

But the players were released to a University of Kentucky official when the soldiers declined to prosecute.

The four were identified as Sam Fernandez, 20, Annmoor, W.Va.; Bernie Solich, 19, Johnstown, Pa.; Franklin Reinhart, 27, Allentown, Pa.; and Dan Connors, 19, St. Marys, Pa.

The soldiers, Robert J. Blockberger, 20, of Scranton, Pa., and Joseph Dannellan, Bronx, N.Y., told police the fight started when the football players attempted to take away Blockberger's girl friend.

### STRUCK WITH BOTTLE

Blockberger was quoted by police as saying he was struck with a bottle. He was treated at a hospital for a cut over his left eye, a bruised nose and cuts inside his mouth. Dannellan was not injured.

With the exception of Solich, all had played in the Kentucky-Miami game Saturday night which Miami won 14-7.

The soldiers told police court Judge Walter Tackett they did not want to remain here and prosecute the case. The judge filed the charges away and released the players to Dr. Leslie L. Martin, dean of men at Kentucky.

Never.

Volkswagen would no sooner make an over-chromed, two-toned car than they'd change the classic beetle shape. It's not that the chromed version looks so bad. It just doesn't make the car work any better.

That's the rule of thumb Volkswagen goes by: change the VW only to improve it, never to make it look obsolete. Example: more horsepower was added to the air-cooled VW engine without making it bigger or less economical. (One thing did get bigger this year: the tail lights.)

Everything on the VW happens for a reason; nothing is for show. There isn't even a chrome strip that spells out Volkswagen. There is a little round piece with VW's initials on it, though. (After all, Volkswagen can't let 600,000 Americans go riding around in unidentified cars.)

## SEARCH FOR 7 LOST IN OCEAN

HAMILTON, Bermuda (AP) — Three U.S. Navy airmen who survived a ditching in the Atlantic were under treatment here today as search continued for seven of their crew mates.

Planes and ships searched north of Bermuda where a Marlin PSM patrol bomber plunged into the sea Friday night after one of its engines caught fire.

The three survivors landed here Sunday appeared in good shape but one, Aviation Metalsmith 2C Patric J. Imhof of Lebanon, Pa., suffered from a shark bite. His injury was not serious.

Also picked up by the American owned ship African Pilot were Lt. (JG) Peter D. Hofstedt, of Tarrytown, N.Y., and Aviation Technician 1C Jack M. Dockery of Hampton, Va.

Missing are: Lt. Cmdr. Albert J. Tait, Kansas City, Mo.; Lt. (JG) Cameron Page Cooper, Nashville, Tenn.; Aviation Machinist 2C Charles R. Dunaway, Fort Worth, Tex.; Aviation Technician 2C David W. Wood, Fond du Lac, Wis.; Aviation Electrician 3C Edwin D. Thompson, Baton Rouge, La.; and Aviation Ordnanceman 3C Charles Turner, Montclair, N.J.

## NAB GRIDDERS FOR ASSAULT

LEXINGTON, Ky. (AP) — Four University of Miami football players, three of them from Pennsylvania, were charged with breach of the peace Sunday after a fight with two soldiers outside a bar in the downtown area.

But the players were released to a University of Kentucky official when the soldiers declined to prosecute.

The four were identified as Sam Fernandez, 20, Annmoor, W.Va.; Bernie Solich, 19, Johnstown, Pa.; Franklin Reinhart, 27, Allentown, Pa.; and Dan Connors, 19, St. Marys, Pa.

The soldiers, Robert J. Blockberger, 20, of Scranton, Pa., and Joseph Dannelan, Bronx, N.Y., told police the fight started when the football players attempted to take away Blockberger's girl friend.

### STRUCK WITH BOTTLE

Blockberger was quoted by police as saying he was struck with a bottle. He was treated at a hospital for a cut over his left eye, a bruised nose and cuts inside his mouth. Dannelan was not injured.

With the exception of Solich, all had played in the Kentucky-Miami game Saturday night which Miami won 14-7.

The soldiers told police court Judge Walter Tackett they did not want to remain here and prosecute the case. The judge filed the charges away and released the players to Dr. Leslie L. Martin, dean of men at Kentucky.

Never.

Volkswagen would no sooner make an over-chromed, two-toned car than they'd change the classic beetle shape. It's not that the chromed version looks so bad. It just doesn't make the car work any better.

That's the rule of thumb Volkswagen goes by: change the VW only to improve it, never to make it look obsolete. Example: more horsepower was added to the air-cooled VW engine without making it bigger or less economical. (One thing did get bigger this year: the tail lights.)

Everything on the VW happens for a reason; nothing is for show. There isn't even a chrome strip that spells out Volkswagen. There is a little round piece with VW's initials on it, though. (After all, Volkswagen can't let 600,000 Americans go riding around in unidentified cars.)
